For Thin-Gauge Tin Plate

New Cold Strip Mill Being Built For GC Steel Co.

Granite City Steel Co. plans to produce both the standard and very thin gauges of tin plate on a 6400 H.P. Sendzimir cold strip mill that is now being built and will go into production in the second quarter of 1961, Nicholas P. Veeder, chairman of the board and president said today.

Meanwhile, he said, arrangements have been made for production tests of thin tin plate produced by Sendzimir mill rolling on a unit operated by another steel company that does not produce tin plate. Coils of steel that have been partly reduced in thickness on Granite City Steel's 4-stand cold strip mill will be further reduced on the other company's Sendzimir mill to very thin tin plate gauges — down to .0044 of an inch in thickness.

The Sendzimir-reduced coils of steel will be tested by various can manufacturers. The steel will be fabricated and soldered into cans on their high-speed forming equipment.

3 Years Experimenting

Granite City Steel has engaged in experimental work with very thin tin plate since mid-1957, Veeder said, when some of the company's coils of cold rolled steel were further reduced in thickness on a Sendzimir mill.

State Superintendent of Public Instruction George T. Wilkins will be the main speaker at dedication ceremonies for the new Blair and Harris elementary schools in Madison on Sunday, Nov. 13.

The ceremonies, open to the public, will be held at Harris school, Seventh street and Alton avenue, beginning at 1:30 p.m., to be followed at 3:30 p.m. by a similar observance at the Blair school, College and Mercedia streets.

Both schools were opened for classes for the first time on Aug. 28, and at the present time are "about 99% per cent complete," according to a report submitted by Architect Virgil Dulgeroff at Tuesday's meeting of the Madison board of education.

Dulgeroff said some tile will be replaced at both schools and final floor cleaning is pending. Bidders at the schools have been fired and are in working order.

Year Terms For Three In Theft Of Scrap Metal

Three men received one-year county jail terms Tuesday from Venice Police Magistrate Wesley Edwards after being found guilty of petty larceny, theft of scrap metal Monday night from the Purdy Co. at the foot of Washington avenue.

Lemon Smith, 18, of 817 Jackson street, West Madison, Eddie B. Aaron, 19, of 48 Lee Wright Homes, Venice, and Roosevelt Smith, 23, East St. Louis, are awaiting transfer to the county jail tonight. Each also was fined \$100 and \$5 costs on trespassing on private property.

Brass and copper tubing and railroad car fixtures and handles were found in the trunk of the auto of R. D. Robinson, 516 Weaver street, Venice, at the scene, where the trio was captured by Madison and Venice police at 12:15 a.m. Tuesday. Robinson, who was not involved, was fined \$30 and \$5 costs Tuesday for fictitious state license plates and \$2 for having no city auto license.

Council-Manager Group Granted State Charter

Illinois Secretary of State Charles F. Carpenter on Monday issued a charter to citizens for Council-Manager Government, 1414 Twentieth street, as a new not-for-profit corporation.

The incorporators include Clarence R. Henry, Herman W. Greve and Dr. Leo M. Coleman. Correspondent for the group is Attorney Gilbert Roach, 1913a Edison avenue.

Leaves For Air Force

Gerald D. DeGonia, 17, son of Mr. and Mrs. Henry DeGonia, 3319 Wabash avenue, left this week for Lackland Air Force Base, Texas. He enlisted for a four-year period.

Jaycees '61 Project' Dance Party Set For Oct. 15
The Granite City Junior Chamber of Commerce has a goal of 61 members in 1961, and a "Project '61" Dance is the name given to the party to be held Oct. 15 at the Venice-Madison American Legion Dugout.

Plans for the dancing party were completed Wednesday as

the Jaycees met at Cline's restaurant. Current membership is around 35 and, under an expansion program, the group has set 61 as next year's tally.

President Earl Parson said that local Jaycees and their wives plan to attend a district meet Oct. 8 at O'Fallon.

Tickets for "61 dancing party are \$1.25 per person; \$2 per door.

PRECARIOUS ANGLE created a problem in removing the car after it plunged down an embankment off the Eagle Park road 200 feet west of Route 57 at 2 p.m. Tuesday. One member of the towing crew climbed inside to turn the wheels and operate the brakes, and state license investigators held the auto to keep it from turning over by its wheels back onto the road. The car had almost overbalanced, being stopped partly by high wheels. Miss Joyce Scott, a St. Louis teenager who had rounded a turn too fast while learning to drive, and her father, Wiley Scott, climbed out unhurt.

460 In Night School
Granite City adult education registration reached 460 today and will close tomorrow at Granite City high school. The classes began this week and some already are filled. Registration for trades and industrial classes is scheduled to end tonight.

PTA Council To Meet
First full meeting of the Granite City Area Council PTA will be held at 7:30 p.m. Thursday, Sept. 29, at Emerson grade school. A. J. Muller, president, and Supt. Harold M. Kaiser are planned.

Phone Courtesy High On Good Usage Tips
Courtesy pays—that's a slogan heard on many business and service fronts—and it is most applicable to the telephone. It was stressed here yesterday at the Good Telephone Usage Clinic. Held at the YM-YWCA, the school attracted 84 secretaries, receptionists, office managers, salespeople, nurses, switchboard operators and sales executives.

Miss Marie Mundy, in a 20-minute talk-demonstration, emphasized that courtesy and politeness are the touchstones of a good switchboard operator and others who use the phone in business and their homes. She cautioned against keeping the other party waiting, and urged users to speak directly into the mouthpiece in a well-modulated voice.

Ground beef is usually a good buy. The most popular cuts for grinding are the shoulder or flank; if you want coarsely ground beef, have the meat put through the grinder just once. For more finely ground, you have the meat ground twice.

Keep beef in the refrigerator, loosely wrapped in waxed paper, and use within two days. Frozen ground beef should be kept frozen until ready to use, or thawed in the refrigerator just before cooking.

Beef Croquettes
1 tablespoon butter or margarine
4 tablespoons flour
1 cup milk
2 cups finely ground cooked meat
2 teaspoons lemon juice
½ teaspoon salt
½ teaspoon pepper
1 teaspoon minced parsley
Fine dry bread crumbs
1 egg, beaten and mixed with 2 tablespoons milk

Make a white sauce of the butter, flour and milk. Cook until very thick, stirring constantly. Add meat, lemon juice, seasonings and parsley. Chill thoroughly. Form into croquettes. Dip into crumbs, then into egg and into crumbs again. Fry in deep fat until brown.

City To Build Sidewalk To Serve East 23rd St. School

Construction of a sidewalk along the north side of East 23rd street to serve the new grade school building and parking area between Madison and Washington streets, and the alley in the 1500 block between Madison and Washington streets, was approved by the Granite City council members Monday night.

The new sidewalk would extend from Nankai road to the new East 23rd street school and cost estimates are being prepared for it to be constructed within the city's current bid figure of 42 cents a foot by Ellsworth Concrete Co. It is to be financed with a surplus fund in the street maintenance program.

Alderman Casmer Skubish said the present sidewalk on the south side of the roadway is proving inadequate and most pupils live north of East 23rd street. "They must either cross the busy road twice or walk along the north side of the road if it is muddy in the winter," he said.

Girl Lost Shoes
Supt. of Streets William Warfield, who advised the council of the surplus funds in the street maintenance program during the past summer through changes in methods of operation, said the total will still show a surplus of \$100,000.

In other actions, the council approved payments of claims, salaries and services totaling \$10,359.

Mr. Jessie Lang, 79, Dies: Her 52 Years
Mrs. Jessie Lang, 79, of 2912 Oregon street, died at 5 p.m. Wednesday at St. Elizabeth hospital, where she was taken that morning.

Mrs. Lang, a resident here for 32 years, was a member of the Spiritualist Church of Christ. She was a native of Neoga, Ill.

Her husband, John Lang, died in 1938.

Survivors are two sons, Donald Turner, St. Louis, and Russell Turner, Granite City; a daughter, Mrs. Pauline Anstler, St. Louis; a brother, Harry E. McKay, Granite City; two grandchildren and three great grandchildren.

Funeral services are announced in today's obituary column.

Elected Club Officer
Newly-elected freshmen class officers at Simpson College, Indianola, Ia., include: William E. Evans, III, son of Mr. and Mrs. Paul A. Evans, 1529 Clark avenue. Evans will be majoring in history and political science. He will be living at the new Men's dormitory on the college campus.

License Charge
Wayne E. Ozanich, 18, of 705 Madison avenue, was issued an arrest ticket Tuesday evening at Madison avenue and Nankai road on a charge of operating a motor vehicle without state license plates. He was released on \$11 cash bail.

Auto, Truck Collide
The left side of the auto of Harold Terrell, 618 Franklin street, West Madison, was damaged at 1:30 p.m. Wednesday in a collision with a transport truck driven by Walter Tietz, St. Louis, at Broadway and Klein streets, Venice.

Alley Charges Proposed
Relocation of two short alleys and abandonment of a third short alley were proposed during the meeting, City Atty. William Beatty was instructed to prepare the necessary legal papers.

The alley to be abandoned and divided between abutting property owners lies in the 3900 block between Grand avenue and State street and extends from the north-south alley to Grand avenue. Alderman Estill Von Schmitten said it is no longer used and is a safety hazard. The house and scale have been abandoned.

Alley relocations were suggested at the skating rink in the 1800 block of Cleveland blvd., where the alley from 18th street extends east to Cleveland blvd., and the alley in the 1500 block between Madison and Washington streets, was approved by the Granite City council members Monday night.

Meat Burns On Stove
Meat being cooked in a skillet caught fire at 3:15 p.m. yesterday at the home of Rev. and Mrs. Floyd Leavelle, 4024 Harris street, resulting in Madison firemen being called. There was no damage.

Mail Box Left Open
Postal authorities were notified early Wednesday morning that a street mail box at 21st street and Grand avenue had been left open and it contained a large amount of mail. The box was emptied and locked by a postman.

Scout Troop Training Course To Open Tonight
A series of Uniwah Boy Scout district leader training sessions will begin at 7:30 this evening at Camp Graham on Route 157 south of Peters' Station. The training will include organization of the training troop into patrols and discussion of "What Boy Scouts Do."

Milton Morris will serve as scoutmaster for the seven-week course. Sigmund Fredericks as assistant scoutmaster, P. E. Carich senior patrol leader and George Bugle, Adolph Flieh, Raymond Gaudette and Mike Sikora, patrol leaders. All troops in the Quad-Cities have been invited to send leaders, committee men and fathers to study leadership skills.

Shoalwater Requested
The new Dream Villa subdivision will add 6.65 acres to the city and will include 23 lots lying between Westchester and a new street. The subdivision is being developed by the Shamrock Gardens subdivisions. The new street, named Passage, was delayed two weeks ago, to determine location of storm water drainage lines. The lines are to empty directly into the Nankai ditch.

The Shamrock Gardens subdivision specifies a voluntary reduction to 10% on payments of surplus funds in lieu of taxes to all lot owners taxing agencies. The board already is paying 10% of the 100 new lots. The city is paying 10% on the older units in recent years. The 1935 agreement with the city set the rate at 10%.

City Atty. Beatty said he was unable to word the zone-fare reduction for taxicabs in a clear manner that would not require maps. The matter was turned over to the tax protestors.

Alderman Skubish and Samuel Shoalwater requested a study of storm water drainage relief for residents of the north end of the city. The study was turned over to the tax protestors.

Registration is underway for the annual Cahokia Mound Boy Scout Council "campore" to be held on Friday, Oct. 7, through Sunday, Oct. 9, at the Veterans of Foreign Wars Park in High-

B. F. Goodrich 'Grand Opening' Now Underway

A carnival atmosphere will greet the grand opening of the B. F. Goodrich Tire Co. new service department at 2206 Madison avenue in a program launched today and carrying through Saturday.

Goodrich, no newcomer to the Quad-City area is, in effect, stepping into its 13th year hereabouts in its new location. Goodrich's previous address was 1938 State street.

Manager Fred Maher and his staff of sales-people and service technicians, will be on hand to welcome old friends and customers, and extend the hand of greeting to the new.

The Madison avenue site affords free parking space for customers, and the 1400 square feet of sales space far outdistances that of the State street store, he explained.

Visitors will be given an opportunity to share grand opening gifts—tires (Goodrich, Firestone, Goodyear and others), TV sets, radios and silencers. And for the youngsters, and adults too, there will be balloons, and other souvenirs.

It is expected Mayor Leonard Davis or another representative of the municipality will be on hand for the traditional rites of grand openings.

Bond Of \$106 Posted On Nuisance Charge
Harry Johnson, 64, of 2250 Iowa street, was arrested Wednesday afternoon on a warrant issued by City Inspector Jack Fricker charging him with maintaining a nuisance at the Iowa street address.

Fricker filed the warrant on instructions of Mayor Davis and on Tuesday called upon city street department employees and a tow truck service to cart away about five truckloads of lumber and sinks along with three of four automobiles from the premises.

Mayor Davis said neighbors, been complaining of the unsightliness at the unoccupied dwelling.

Johnson was freed on \$106 cash bail and is to appear for hearing next Wednesday.

Machinists Honor Retiring Business Agent, Pat Ryan

In a career of service to organized labor, as fellow industrial plant workers, as dedicated family man, a good neighbor and stalwart, Pat Ryan has won a legion of friends.

And many of these men and women were at the Labor Temple Monday night in demonstration of their high regard for Patrick P. Ryan, 3701 Johnson road.

The turn-out was occasioned by Ryan's nearing retirement as District 9 business agent for the International Association of Machinists. He will vacate the post he held for 15 years at the end of October, the month in which he will mark his 63rd birthday.

Surprise Event
The party was a measureable surprise, announced deceptively as a run-of-the-mill meeting of IAM Local 372. Other matters, however, made their way into the agenda.

Actually, a union open meeting was called. In the chair as its responsibility as president of the local was honoree's son, John M. Ryan. So, father and son were seated at the officials table.

Also on hand were Ryan's wife, Mrs. Orel Ryan, his daughters, Mrs. Alice A. Neumann and Mrs. Mary Lou Eaton, and a pair of grandsons, John Ryan Jr. and Timothy Eaton, all of Granite City.

Oldsters long enrolled under labor's banner, representatives of the area AFL-CIO locals, the IAM auxiliary, upper-rank district and bi-state labor leaders, colleagues of machine shop staff and neighbors, too, were counted among the 225 at the Temple.

And they came bearing gifts or, more exact, a gift of an outboard motor, mounted on a movable rack.

This, it was emphasized, is Mr. Ryan's retirement days use and enjoyment.

George Gergeeff, an old friend and union association, made a brief presentation speech in which he said of the surprise party honor guest:

"He used the same discerning judgment as business agent as he did when working with skill and adroitness with machine tools."

Interlarded with humor and in expressions of serious content, there were other farewells, good wishes and goodbyes and thanks, too, for a job well done.

Ryan, in reply, summed up a lifetime centering about the industrial machine and its workers:

"We do best what we like to do. My work hasn't always been easy, but I've enjoyed it. I have made many friends — and a few enemies, but the years have been good. I deeply appreciate and will remember this evening."

Afterward, there was buffet supper and good talk and reminiscences.

Among those at the party from outside IAM ranks were Ryan's pastor, the Rev. F. L. J. Mattingly, of St. Elizabeth's Church and Elmer Briggs, president of the Automotive, Petroleum and Allied Trades Union Local 1107.

Prior to being named district business agent, Ryan was machinist at the Granite City Steel Co. for about 18 years, and earlier and at other periods, was an employee of the American Steel Foundries.

FOR RETIREMENT DAYS USE were the instructions attached to the outboard motor given Patrick P. Ryan (left) by labor colleagues, friends and neighbors. Presentation was made Monday night by George Gergeeff, shown with his longtime friend.

THESE STALWART team co-captains were among the volunteer workers of the United Fund campaign employee's division at Monday's send-off briefing. They are Edward Weisler, left, and Roy Logan.

Buying Soars To \$5,687,000 In Quad-Cities During June

Quad-City buying reached a new high for the year of \$5,687,223 during June, a report by the Illinois Department of Revenue disclosed today.

The purchases reported by 725 stores and other firms compared with \$5,292,485 in the previous month and \$4,068,909 in June 1959.

The latest listing of \$5,687,223 includes \$4,726,155 reported by 480 Granite City stores, \$718,650 by 159 Madison firms, \$189,132 by 71 Venice establishments and \$83,285 by 13 Mitchell companies.

A breakdown of Quad-City buying in June shows \$1,700,660 food purchases, \$1,272,615 by wholesalers and manufacturers, \$715,522 automotive, \$487,383 at drinking and eating places, \$336,210 at filling stations, \$244,614 general merchandise, \$273,539 lumber, building and other hardware, \$208,187 apparel, \$187,786 furniture, household and radio and \$234,655 all other buying.

A listing by city follows: Granite City — \$2,675,759 general, \$1,313,863 food, \$310,985 drinking and eating, \$302,887 apparel, \$137,151 furniture, \$130,351 hardware, \$669,194 automotive, \$269,309 stations, \$1,180,447 manufacturers and \$155,168 other.

Madison — \$35,753 general, \$282,594 food, \$13,815 drinking and eating, \$5290 apparel, \$37,700 furniture, \$82,804 hardware, \$10,217 auto, \$35,982 stations, \$36,973 manufacturers and \$37,657 other.

Mitchell — \$3102 general, \$101,978 food, \$33,215 drinking and eating, \$4093 furniture, \$33,888 auto, \$19,077 auto, \$18,607 auto, \$19,514 stations, \$9441 manufacturers and \$1791 other.

Venice — \$2223 food, \$9369 drinking and eating, \$34,444 hardware, \$25,903 auto, \$10,773 stations and \$201 manufacturers.

MORE ABOUT City Manager Election

(Continued from Page 1)

city manager want the general election date because of the possibility of a larger turnout of voters and are giving no thought to the confusion which will result.

"They also are talking about politics entering the picture. There'll be more politics in the air on Nov. 8 than on any other day of the year. It's my recommendation that the election be held on Oct. 24."

Another point brought out by the aldermen was a problem of registration of voters. Under the general election, residents must be registered to vote, while in a city election, registration is not required. One alderman asked if an unregistered Granite Cityan could legally enter a township polling place to vote on a city issue.

Mrs. Betine said the city should be fair to all citizens and not try to make it difficult for voters. "We should have been trying to straighten out these precincts long ago to end the confusion," she added, that the election would be better, but was told Christmas would be approaching and that the holiday season was not a good time for an election.

The caucus was concluded in about 40 minutes, and Mayor Davis dismissed the solons to prepare for the 8 o'clock regular city session.

Action During Session
At the outset of the regular meeting, City Clerk A. L. Stevens read the order from the county court directing the council to set the election date to the "yes" or "no" vote on "shall the city of Granite City adopt the managerial form of municipal government?"

Alderman Walter Nann proposed the Oct. 24 date, pointing out it had been agreed upon during the caucus.

Mrs. Betine appealed to the council for a later date to give citizens an opportunity to study the different forms of government, and she was the only solon to oppose Nann's proposal. All other solons were present with the exception of Alderman Rufus LeMaster.

Later in the meeting, an ordinance officially setting the election date with the polls to be open from 8 a.m. to 6 p.m. in the 21 city precincts was adopted. A note of humor developed as Alderman Charles Meyer, chairman of the Ordinance committee, read the paragraph authorizing the city clerk to secure supplies. Meyer read "and the unnecessary

Madison Ave. To Be Colorful For Kennedy Visit Oct. 3

Democratic Presidential Candidate John Kennedy will receive a colorful welcome to Granite City on his Oct. 3 campaign visit.

Bunting and streamers will be placed on at least two utility poles in each block along Madison avenue, and Mayor Davis was authorized Monday night by the council to arrange for the decorations.

During a caucus prior to Monday night's council session, Mayor Davis said he has been unable to secure a price for rental of the bunting but would confer with the "Tri-City Tent & Awning Co." this week. He told the members it would be better to rent the decorations, rather than buy bunting and face a problem of storage and cleaning.

The mayor said the cities of Madison and Venice will be decorated to set the election date to the "yes" or "no" vote on "shall the city of Granite City adopt the managerial form of municipal government?"

Alderman Walter Nann proposed the Oct. 24 date, pointing out it had been agreed upon during the caucus.

Mrs. Betine appealed to the council for a later date to give citizens an opportunity to study the different forms of government, and she was the only solon to oppose Nann's proposal. All other solons were present with the exception of Alderman Rufus LeMaster.

'Ready, Set, Go!' For UF Employees' Teams

Armed with worker's fund campaign kits and girded with the determination to meet their unit quota, teams of employee's division solons went to their United Fund drive tasks Monday afternoon, following on the heels of a pep-rally and school of instruction at the YMCA.

This army of volunteers enlisted to the purpose of raising a minimum of \$110,000 is headed by Co-Chairman Robert Genger, Gilbert M. Sykes.

Campaign General Chairman James L. Hamilton Jr. characterized the ready-able-and-willing volunteers as the "grass roots" workers. They will, he emphasized, bring to the employees of the Tri-City area the message of the United Fund and the needs

of the agencies and facilities it sustains and supports wholly or partially.

At Monday's rally there was the friendliness of a coffee table and a detailing of the campaign, which is marching ahead to give the banner of "They're Counting on U'Nited-7".

The "7" get-together was but one of several pre-campaign "maneuvers" already negotiated, besides to the drive which opens on Oct. 13.

And very soon the Tri-Cities will be emblazoned with United Fund placards, billboards, posters and other reminders to give the UF way. According to Chairman Hamilton, six outdoor billboards will herald the UF appeal; light standards will wear

UP "collars"; posters and placards will blossom in store windows and otherwise the communities will be festooned in a gala array.

This year's fund goal is \$283,461 and, if the employee's division workers have their way, not a pocketbook in the Tri-Cities will remain unopened to the appeal.

In addition to the dozen two-man team captains, others who were appointed as go-ahead session were: Harmon Felgenbutz, chairman of the manufacturing section of the employee's fund-raising division; El G. Schmitt, chairman of the utilities section; Mrs. Martha Seebold, of the contractor's section; Edwin F. Reiske, chairman of organized labor groups; and Mrs. Helen Peters, member of the hotel and restaurant workers.

Others added helpful suggestions.

He discussed something of the services and facilities provided by the agencies under the UF banner, and credited The Press-Record with valiant community service in its series of articles on the 18 health, welfare and character building services included in the drive for operating funds.

Solenberg said cost of campaign and administration of the fund was estimated at a low 7 1/2% of the total goal.

It was pointed out that great numbers of area employees are enrolled in "30 Minute Clubs."

This gets its designation from a suggested "fair share" apportionment of a worker's wages to the United Fund. It is "30 minutes" per month — for 12 months.

New to the agencies benefiting in this year's campaign is the Mental Health Association.

The employee's division goal of \$110,000 is but \$1000 in excess of that of a year ago, Co-Chairman Genger emphasized. He predicted it could and would be met — and that the buy-out solons would "go over the top."

Health Vote Campaign Meeting Here Tonight
Plans for a campaign on behalf of the Madison county health department election Nov. 8 will be made during a meeting at 8 o'clock tonight of the Tri-City Area Public Health Council. Location will be a room at Madison high school.

The meeting has been called by Dr. Felicia D. Koch, chairman. Affiliated with the Illinois State-Wide Public Health Committee, the group was reorganized through enough signatures to place formation of the proposed department on the ballot. Maximum tax rate for the health department would be five cents.

Clarification of the East Side Health District tax rate, discussed in a previous article, shows a total rate of nine cents, including the maximum 6.6 cents for general purposes; 1.4 cents for construction bonds, the maximum voted in a referendum; and one cent for retirement pensions, the maximum voted in a referendum. All rates given are on \$100 assessed valuation.

VFW District Initiation Rites Here Sunday

A colorful initiation ceremony followed by a school of instruction for 12th district members of the veterans' organization will be held here Sunday afternoon at the VFW headquarters at 2044 Washington street.

A VFW ritual team of local veterans will initiate the new members, and the obligation will be given by Arthur J. Muller, Chicago, state senior vice-commander of the Veterans of Foreign Wars.

A turn-out of at least 150 is expected, and the program will get under way 2:30 p.m.

The vice-commander will be accompanied by VFW State Adjutant Francis J. Ann, of Park Forest, who is state membership director.

Area veterans who make up designated as the 12th district's special group, are Charles E. Schmeider, Andrew Bausa, Ned Little, Edward Yates, John Wardlaw, Richard Reader, John Perrillo, Charles Ragan, Robert Conway, Howard Westbrook and Edward Camper.

The local VFW ritual team has traveled extensively about the state and district to attend ceremonial rites. The district is made up of 54 units.

City Court Jury Hears Testimony In 3rd Case

Testimony in a personal injury lawsuit brought by Ella De Anderson against Card Williams as the result of an auto accident was continuing at noon today before a city court jury.

Judge Fred F. Schmeider is presiding.

The case is the third on the jury setting dockets began Monday morning and is scheduled to continue for two weeks.

The first case on the docket, a lawsuit with Mary Florence listed as the plaintiff and Arthur E. Franz as the defendant, was settled before it reached the jury.

In the second case to reach the jury this week, a ruling in favor of the defendant, Ann Kunick, was rendered.

The plaintiff, Ann Grba, had alleged that an auto operated by the defendant had stopped quickly on Iowa street, and an auto in which Mrs. Grba was a passenger struck the defendant's machine in the rear, causing personal injuries to herself and her son, Charles.

The accident occurred on Nov. 12, 1956. Mrs. Grba asked \$15,000 in damages for the injuries sustained by herself and her son.

Portable TV Set, Radio Stolen Tuesday
A thief ripped open the metal front door of Hank's Supreme Radio and Television store, 705 Madison avenue, at 5:43 a.m. Tuesday, leaving with a portable television set and table-model radio before police arrived.

An alarm was set off by the forcing of the door, resulting in the summons to police. Both the TV set and radio were new units, and both were stolen.

Nothing else was disturbed. John Boyer, 3437 Lydia lane, reported to Granite City police Monday night that his home had been entered but nothing was missing. He said entrance was gained by removing a screen door from a rear window. The window was unlocked.

Washout Discovered Under 18th Street
A washout "large enough to swallow an automobile" has been discovered at a manhole on 18th street between Cleveland and Delmar avenue. It was reported to Granite City council members Monday night by Alderman Arthur Wierler.

The alderman said he had received a letter from the Edward J. Jurek of the engineering firm of Sheppard, Morzan & Schwab, which is conducting the city's sewer inspection survey under the master sewer and drainage program.

Council members instructed Supt. of Streets William Warfield to further the inspection and erect barricades at the danger zone, if necessary.

Sen. Douglas' Talk Ranges From Local To Space Levels

Senator Paul Douglas touched upon the local, county, state, national, international and outer-space levels of the forthcoming election during a rally held Tuesday night at the Labor Temple.

The audience was small — a mere 50 people including about 20 other candidates — the senator was enthusiastic in predicting Democratic victories in November.

The rally, sponsored by the AFL-CIO Committee on Political Education, was opened by Edwin Reiss, president of the Tri-City Trades and Labor Council, and the presiding officer was Robert Gibson, chairman of the City Democratic Committee and president of the Young Democrats of Illinois.

Candidates Introduced
Gibson, who introduced the county and state candidates present, told the senator the audience was slim due to a strike of workers' union convention in Atlantic City.

Those who introduced were State Reps. Lloyd "Curly" Harris and Paul Simon, State Atty. Dick H. Hughes Jr., Recorder James Chapman, Auditor John Kravak, all seeking re-election, and Irving Dill, candidate for the University of Illinois board of trustees.

The senator was introduced by Cong. Melvin Price, also a candidate for re-election, who spoke briefly, as did Reps. Harris and Simon.

Simon said he expected a much larger turnout and urged those present to support Sen. Douglas. Harris also stressed action by local Democrats to re-elect Democrats to the state offices in the state. He predicted a rapid growth of the Quad-City Democrats to the state offices in the state.

He said I had a hand in setting up the district, for in a short time you'll be informed of the rapid progress of the Quad-City Democrats in the state and industrial growth here were surpass all dreams," Harris told the audience.

Club Urged To Support County Health Proposal
An appeal for support of the Madison county health department proposal Nov. 8 was made to Madison Rotarians yesterday by Milton Morris, who cited services expected to be performed and showed color slides of present city dumping areas, polluted lake areas and typical health department programs.

Introduced by Joseph Richardson, program chairman, speaker said eight minimum functions generally are carried out by other service agencies as dictated by the specific needs of the area.

Morris said the exact program would be decided by available funds and an eight-member board consisting of a county board member, two physicians, a dentist, school official, industry representative, labor official and an unspecified member.

Frank Egan, E. A. Friedman and Harry Theobald were appointed as a committee to visit 11 members of the Rotary club.

Son Born To Mr. And Mrs. Gary Thomas
Mr. and Mrs. Gary Thomas, 2335 O'Hare avenue, are announcing the birth of their first child, a son, Wednesday at St. Elizabeth Hospital. The weight of the infant was seven pounds, eight ounces.

The mother is the former Patricia Robertson, a daughter of Mr. and Mrs. Ernest Robertson of the O'Hare avenue address. The paternal grandparents are Mr. and Mrs. Frank Thomas, 2806 East 25th street. The baby is also the first grandchild of Mrs. Kathryn Robertson, 2512 Madison avenue.

Two Traffic Charges
Lee Vaughn, 509 West Second street, West Madison, posted property bond after being arrested in Venice yesterday for speeding and having no driver's license. A hearing was set for Saturday.

In urging support for Sen. John Kennedy as president, Sen. Douglas said the local meeting "might do a good turn. Maybe it will wake us up. That things are not coming our way and we'll have to work hard."

At the corner "Visits" Further, in his bid to be returned to the upper house where he was enthusiastic in predicting Democratic victories in November, Sen. Douglas made direct, personal contact with Tri-City voters.

And there was much handshaking, brief stop-offs at factory gates, shopping plazas and in the mid-town sectors of Madison and Granite by the state's senior senator. Political handshakes and literature showered on his audiences.

In this, his second "swing-around of the campaign, he was in Madison county for two days. Douglas has a modern version of the old-time political "stump." It is a station wagon, topped off with amplifiers. Manned by a microphone, the silver-haired Chicagoan not only made his appeal for a Nov. 8 vote, but support likewise of the national, state, county and area Democratic slate.

At the factory entrances he and the constitution of dieselized trucks, of the hum of industry and of general traffic, "but the senator was not managed to reiterate a special theme."

"Don't vote for big business; vote for yourself—vote for Paul H. Douglas."

At the Granite City Steel Co. gate at 17th street and Madison avenue, he took occasion to praise the company for its labor record and to laud the employees' union.

The turn-outs, numberwise, varied, from a sprinkling to a sizeable crowd.

Douglas' Tuesday itinerary included stops at Bellemore avenue shopping center, Third street and Madison avenue, Madison; Granite City Steel Co. and General Steel Casting Corp., 8th and 19th street and Edison avenue.

ANNUAL WARRIOR-ROJA SHRINE GAME FRIDAY

MHS Hires Tennis Coach;

12 Players Working Out

The Madison school board Tuesday night assigned high school teacher Robert Barnhart the duties of tennis coach at Madison high school. He is to receive \$150 in addition to his regular yearly salary.

About a dozen MHS students will form the first group Barnhart will work with on the courts at the high school. Madison hopes to begin competition with other high schools in the area within one to two years.

Aviston Tops

Red Devils

6-5 Tuesday

Aviston ended a short-lived Venice high school baseball winning streak at two games Tuesday afternoon by defeating the Red Devils 6-5 in Aviston. Venice now has a 2-1 record.

Zahn Wells' squad took a 5-3 lead in the third inning, but Aviston rallied for four runs in the sixth. The winners had nine hits off starter and loser John Corrie, who had picked up both of the Devils' previous wins.

Venice managed only four hits off winner Bill Mondt, who struck out nine and walked six. Corrie fanned six and gave up one free pass. He also had two of the VHS hits, one of them a triple.

Venice scored two in the top of the first and Aviston tied the score in the bottom of the frame. Don Devany caught for the Red Devils. Bill Shambro and Pete Fields accounted for the other Red Devils hits, each collecting a single.

Tomorrow at 4 p.m., Venice will host St. Paul of Highland at Lee Park in a Madison-Bond-Clinton Counties conference game.

IT PAYS TO ADVERTISE

Granite City and Madison, who could turn out to be the weak sides of their respective football conferences this season, will meet at 8 p.m. Friday in Madison in the most important game—seniority, at least—for both prep clubs.

Granite City Lineup Is Revised For

Benefit Contest; Wallace Sidelined

The occasion is the annual benefit for the Shriners Hospital for Crippled Children in St. Louis, and traditionally the team that comes out on top in the cross-town tiff has had a successful season, whether it manages to win another game during the remainder of the year or not.

And both coaches admit frankly that the outlook for the rest of the season, based on last week's opening game showings, is not bright. Andy Sullivan's outfit was shut out at home by Assumption 13-0 while the Trojans of Glen Pickering were being flattened in Edwardsville 40-14.

Sullivan engineered a wholesale shakeup of his starting offensive lineup early this week, promoting eight second-stringers to first line berths in an effort to find some speed.

Pickering will go with basically the same unit that opposed the Tigers, simply because he does not have as many "pick your choice" opportunities as does Sullivan at GCHS.

Ken Griggs, who scored both touchdowns for the Warriors, was sidelined last week by a knee injury. Sullivan has replaced Wallace with Bret Bjorkman, a 155-pound junior who has had little experience but has thrown the football well in practice. The GC coach made up his mind at this position early this week in order to give Bjorkman, a left-hander, more time to work with the variety unit.

Bob Berry has been moved from one of the halfback slots to fullback in place of the injured Haug. Add Left End Pat Schuman and Right Half John Graboski to the list, and you have the only three players who opened against Assumption last week who will run with the first unit early this week in order to man will be playing the same position.

"We started on page one this week," said Sullivan, indicating that practice sessions again reverted back to the improvement of blocking and tackling.

The Granite City coach was disappointed, to put it mildly, with the blocking of his offensive line last week, and gave this as the major reason for six new faces along the front wall.

They will include Tackles Don Pindell and Mel Barron, Guards Dan Ham and Bob Kary, Center Bob Cruse and Right End Jim Radford. Radford is a junior transfer student from Central high school in St. Louis.

Granite City backs demonstrated that they are not the speediest in this area against the Trojans, but Sullivan said what holes his offensive line was able to make last week were closing up before the backs reached the line of scrimmage.

Pickering had much the same complaint. "Of course, I didn't see these boys last year," said Madison's first year coach, "but a couple of them were lettermen

Three Local Youths

To Be Drafted Monday

Three Quad-City area men are to report to the county selective service office at Edwardsville on Monday for armed forces induction. In addition, nine local youths are to report the same day for pre-induction physical examinations.

The local area's October draft quotas include seven men to be drafted and eight men to be pre-draft examinations on Oct. 31.

Kiwanians, Wives

See Wrestling Bout

Granite City Kiwanians cancelled their scheduled regular Monday night meeting. Instead, accompanied by their wives, they dined at the Chase hotel, St. Louis, and there watched the wrestling bouts. Corrie fanned six and gave up one free pass. He also had two of the VHS hits, one of them a triple.

Tickets Early

Granite City and Madison high school students who plan to attend the annual Shrine benefit football game between the two schools' teams Friday night in Madison will do well to purchase their tickets in advance.

The tickets may be obtained at either school for 35 cents each until classes are dismissed Friday afternoon.

At the game Friday night, general admission will be \$1 for both adults and students.

with experience, and I certainly expected a better ballgame than what went on in Edwardsville. I'd rather just forget about it."

He continued, "The potential is there, though, and if I can just keep them from getting down on themselves, we'll do okay Friday."

Pickering made only one change from last week's lineup. He moved 270-pound Willie Boyd up from the kickoff team to first-string left tackle, in hopes that his bulk, if applied correctly, will give Madison's speedy back some running room up the middle.

The Trojan backs were being caught and downed time and again in Edwardsville, just as they reached the line, by a lighter but quicker Tiger defensive unit.

It took Mike Gravelle, MHS quarterback, a few things last week to prove that he did not call a bad ballgame for his first time out, and his faking has improved in practice this week.

Ken Griggs, who scored both touchdowns for the Warriors, was sidelined last week by a knee injury. Sullivan has replaced Wallace with Bret Bjorkman, a 155-pound junior who has had little experience but has thrown the football well in practice. The GC coach made up his mind at this position early this week in order to give Bjorkman, a left-hander, more time to work with the variety unit.

Bengal JVs Down Trojan Frosh-Soph Footballers On Madison Field, 27-0

Edwardsville high school's junior varsity football squad pushed a younger and lighter Madison frosh-soph team around the Madison gridiron almost at will Monday afternoon, taking home a 27-0 victory.

Employing only five sophomores in the game, Coach Joe Asperger's Little Trojans were no match for the visitors. The MJIS freshmen, playing the entire last quarter, were responsible for the only sustained drive by the home forces all afternoon. They moved the ball from the Madison 15 yard line to the Edwardsville 20, but lost it there on a fumble.

Bob Nelson scored the Junior Tiger's first TD in the opening minutes. The right end went 25 yards with a pass. Kent Wildman ran for the extra point.

John Onesty's punt from the Madison 10 was blocked later in period with Kent Wildman scooping up the ball and traveling the necessary distance for the visitors' second score. Jerry Kotva scored the extra point on a pass play, and Edwardsville led 14-0 after one quarter.

Sophomore Larry Schaake turned in a 30-yard gallop around right end for Edwardsville's third tally in the second quarter, and Norm West scored the final TD for the visitors on a 15-yard run in the third period. Kotva again caught a pass good for the extra point.

Madison's freshman squad, basically the same unit that played Monday, will travel to Collinsville next Tuesday for a 4 p.m. contest with the Kahok first-year team.

Park Touch Football Season Will Open Saturday Morning

Seven games in two age divisions will usher in the Granite City park district's fall touch football season for boys Saturday at the State street and Fehling road gridiron.

Four morning games are set in the Junior League for boys aged 11 and 12, and three afternoon contests for boys nine and 10 in the Midget league will be played. The football season will continue through Nov. 5, with all games scheduled on Saturdays.

Tavern Loop Playoffs Get Underway On Saturday

A complicated weekend schedule, including playoff games for first and third places in the Sunday morning Tavern League bow pitch softball loop, was released by league officials this morning following a meeting Wednesday night.

At 5 p.m. Saturday, Club Delmar will meet Clinton Tavern on Wilson Park diamond. No. 2 while Mary's Place will play Home of the Blues at the same hour on Third street in Madison.

The losers of these two games will be eliminated from the playoffs.

Also at 5 p.m. Saturday, Jug's Hideaway will tangle with Green Hall on the 12th street field in Madison. Third place in the final league standings will be at stake.

One hour later Saturday, the regular season championship will be decided when Sportsman's Club plays Briggs Tavern at Lee Park in Venice. Both finished the season with 14-4 records.

At 10:30 a.m. Sunday on the 12th street layout, the Sportsman-Briggs winner will play Polish Hall in a first-round playoff game. The loser of Sportsman-Briggs will go against Bookie's Homestead at the same time on the Third street diamond.

The winner of Jug's-Green Hall game on Saturday will play the Mary's-Blues victor, also at 10:30 a.m. Sunday on Second street in a land-fill project for the winner of the Delmar-Clinton contest at Lee Park in Venice at 10:30 a.m. Sunday.

In case Saturday's games are rained out, they will be played in place of the Sunday contests. The playoffs will continue on Sunday, Oct. 2.

Joint Animal Shelter For Local Cities Could Solve Site Problem

An animal shelter is needed for all local cities, and this has prompted the inclusion of funds for a shelter in the three cities' current budgets. Madison and Venice are agreeable to joint usage of a shelter to be constructed in Venice; in Granite City, a suitable site has not been found, and funds allocated appear inadequate to meet the probable cost of a building.

It would seem that the best solution to the Granite City problem would be to ask to join in the Madison and Venice project, as Venice did recently. The proposed dog pound could be made large enough to serve all three cities, and the average cost for each city would be less than if it proceeded on its own.

Not too many years ago, the three cities jointly employed a humane officer to catch stray dogs. This is no longer the practice, but joint use of shelter facilities is another way in which the adjacent municipalities can cooperate; stray animals obviously are no respecters of city boundaries. Greater economy and better service could result from a joint animal shelter, and a duplication in the investment for such a structure could be avoided.

Underwriting of Medical Studies A Worthy Project For Local Clubs

The shortage of teachers for mentally retarded youngsters will be eased by a scholarship plan sponsored by the local United Fund and the Granite City Association for Aid to Retarded Children. A college student has received a \$2000 four-year grant in return for an agreement to teach in the special education program of Granite City public schools.

Although it would be more expensive, a similar program of underwriting part of a medical student's education could help lower the present high ratio of population to physicians in the Quad-Cities. Perhaps three or four service clubs or other civic organizations could jointly provide \$2000 a year for this purpose, with the understanding that the new doctor would spend a given amount of time, possibly five years, practicing in this community.

Such a program could be of considerable benefit by increasing the number of local doctors as well as helping some worthy student to raise the funds necessary for his long medical training. It could prove to be invaluable, what with the expanding Quad-City population and the growth in pre-paid medical care and hospitalization plans.

Fight Against Tyranny Led To Independence of Mexico

Local residents on Saturday will celebrate a day that will live long in the memory of all persons of Mexican descent — the 150th anniversary of Mexico's proclamation of independence from Spain.

The 1810 independence movement was led by a priest, Rev. Miguel Hidalgo, who is revered as the George Washington of Mexico. He rallied thousands of peasants from the mountainous north-central region of Guanajuato to fight against the Spanish garrisons.

Shouting "Down with bad government," he issued in the small town of Dolores what has become known as the "Cry of Dolores." The country did not win final independence for several years, but this 1810 declaration is regarded as the turning point. His role has been recognized by changing the town's name to Dolores Hidalgo, and statues of the priest and streets named after him can be found everywhere in Mexico.

From a nation nearing the 185th anniversary of its declaration of independence goes a salute to Mexico and its 150th anniversary fiesta. The two stand as a symbol to other lands that freedom can be won and is worth the fight.

At the end of this life, the man with the most money will find it means very little.

Venice Officials Ought To Bar Machines Requiring \$250 Stamps

Federal wagering tax stamps cost \$50 and coin device stamps cost \$250. Both sums are large enough that the average person is unlikely to purchase them as a whim. And they are a necessity only when gambling is conducted.

This area has only one wagering stamp, but it is purchased year after year. Venice police report that the purchaser, an elderly lady, is ill and inactive.

Eight places have bought coin machine stamps for the year beginning July 1, and a forthright stand has been taken by Granite City Police Chief Raymond Willard: who has barred the machines and ordered the five purchasers in his area to return the stamps. No Madison firms have bought the stamps, indicating that such machines are not in use, since federal enforcement is strict. With three \$250 stamps obtained by Venice establishments, no plans for action by the city have been reported.

The Quad-Cities have no need for pinball machines equipped to expedite payoffs to customers; such devices recall the era when slot machines could be found in every tavern and confectionery in some Illinois cities. Venice officials ought to take action to get rid of them.

Civic League Using Questionable Approach In Representing Taxpayers

Most people agree that taxpayers' interests should be considered. But their cause is not aided by opposing any and all taxing measures, regardless of needed services, planning and contributions to area growth.

Granite City Civic League speakers last week appeared to be using a shotgun rather than a rifle approach, as they expressed sweeping disapproval of the local port district, Bi-State agency, levee district, county health department proposal and university bond issue referendum.

An example of the weakness of this type of attack was the opposition to the Press-Record's proposal — to be supported in the next legislative session by State Representatives Lloyd Harris, Ralph Smith and Paul Simon — that the law require that at least two members on the five-member two-county levee board reside in the county with the least population.

This was opposed at the Civic League meeting as "one more man, one more salary and one more political plum." But the criticism lacks validity because there would still be the same number of levee trustees and salaries; the law change would merely ensure two local members on the Quad-Cities' third largest taxing body, instead of the present total absence of representation.

It is one thing to criticize; it is another to have the facts to support such criticism. Only the latter course has a chance of winning respect and support.

One In Seven Illinois Youths

Rated Unfit To Defend Country

While selective service standards are to be revised this year, it is sad to note that 148,000 men have been classified as IV-F out of 1,180,000 Illinois residents given classifications since 1948. This means that nearly one out of seven are regarded as either physically, mentally or morally unfit to defend their country.

New plans call for men to be designated as currently qualified for military service, qualified in the event of a national emergency or unlikely to be needed even in an emergency. This change will result in far fewer being placed in IV-F in the future.

Though due to be revised downward, the current standards hardly could be described as unusually high or strict. The question remaining is why so many young men do not have the physique, intelligence or moral stability to serve their country. It is a situation that merits serious study.

It is surprisingly easy to improve the conduct of other people, if they follow your own expert advice.

Judemann To Head Heart Fund Drive

The American Heart Association has designated Feb. 26 as "Heart Sunday" and the Quad-Cities, independent, non-affiliated fund-raising campaign in support of the association's program will be headed by Al Judemann.

He was named "Heart Sunday Fund" chairman Tuesday night at the organization meet of the Granite City Heart Fund Drive committee, at Cline's restaurant. Alex Duccini, American Legion Post 113 commander, presided, and there were talks pointing up the needs and benefits of a county health clinic.

Dr. B. B. Berman, Granite City, county director for the Heart Fund, reported that \$35,000 was raised in contributions last year in the six counties of this district.

The National Heart Association's convention will be held Oct. 21-23 at Kiel auditorium, St. Louis. Kenneth Grubbs, chairman of the Granite City Heart Fund, urged area residents to attend, better to acquaint themselves with the scope and work of the national body in its fight against heart diseases.

A number of organizations have already enlisted to work in the fund-raising campaign. Among them, named Tuesday night, are the American Legion Post 113, Beta Phi chapter, Epsilon Sigma Alpha, Epsilon Eta of Epsilon Sigma Alpha, Theta Iota unit of Beta Sigma Phi and the Roca club.

Others who wish to volunteer in the work of the local committee are asked to call Mrs. Lucille Harper, TR. 6-2576.

Harold Fuller, executive secretary of the Illinois Public Health Commission, and Dr. Eugene Franchi, regional dental director, urged support and advocacy of a county health department to be voted upon Nov. 8.

Local Men To Take CC Federation Offices

Two local men will be installed as top officers of the Madison County Federation of Community Committees at a dinner at 6:30 p. m. Monday at the Rock Spring Park Community center, Alton.

They are Granite City Engineer Depot Sgt. Stacey Walker, 4601 Kirkpatrick Homes, the incoming president, and J. W. Hampton, Madison, new vice-president.

Members of Sea Scout Ship 109 of Kirkpatrick Homes, will present the colors and lead in the pledge of allegiance to the flag.

Joseph Causino, retired community director of the south side branch of the St. Louis YMCA, will be the principal speaker.

Clubs in the federation are interested in work with boys and young men through a rehabilitation and advisory program, and a sports center, aimed to make inroads on the mounting incident of juvenile delinquency.

Record-Setting Enrollment At Two SIU Centers In Area

A record-setting number of over 4000 students was on hand Wednesday for the fall term opening of Southern Illinois University's Southwestern campus residence centers at Alton and East St. Louis, it was announced today by SIU officials.

This represents a gain of approximately 500 above that of a year ago.

Late registration at the Alton and East St. Louis centers is expected to boost the total student population by an additional 100, according to Registrar John Schnabel.

To meet the needs of the increased student body, the faculty has been increased from 144 to 164.

Additional classroom space has been made available by moving

faculty office at Alton and East St. Louis into former residences and moving most administrative offices to former homes on the new central campus site at Edwardsville.

Due to the enrollment increase insufficient classroom space had made it necessary that certain courses be offered only at one of the two centers.

Busses operating between Alton and East St. Louis will provide transportation to students enrolled in courses offered only at one campus.

The first bus providing this service left the East St. Louis center at 11 this morning.

A site for faculty offices for the Southwestern campus has been selected in East St. Louis, located on 10th street, across from the residence center.

Tax Assessor Asked To Find New Offices

Granite City Township Tax Assessor Van Dee Cruse has been notified by Mayor Davis to seek office space other than in the city hall.

The township, which pays \$50 monthly rent to the city for a three-room suite on the third floor of the city hall building, is being ousted to make room for a legal library for the city court, Mayor Davis said.

The quarters on the third floor now occupied by the city engineer are to be turned over to the city court, and the engineer is to be moved into the suite now rented for the assessor.

Cruse, who said he was told no other quarters are available in the city hall, has been unable to locate suitable offices to date, but added that no deadline has been set by the city.

He is objecting to the move, pointing out that persons visiting the city hall on tax matters find it convenient for the assessor's office to be in the same building. The township tax collector's office is on the second floor of the city hall.

Auto, Army Truck Involved In Crash

An auto and an Army truck were involved in a collision on East 23rd street yesterday afternoon, and both drivers said the crash was caused by a third driver who left the scene.

According to the report, the truck, driven by James J. Getters, 21, of Headquarters Company, 533rd Engineer Group, rammed the rear of an auto driven by Clifford M. Creighton, 46, of Pekin, Ill., as both were traveling west.

They told police a third vehicle stopped in front of Creighton's car and pulled onto the shoulder of the road, causing the accident.

Labor Will Take Part In Bond Issue Meeting

The Tri-Cities Trades & Labor Council, AFL-CIO, will participate in a meeting Oct. 1 designed to insure passage of the \$150,000,000 state bond issue.

Nov. 8 for expansion of state universities, including the Southwestern Campus of Southern Illinois University near Edwardsville.

Edwin Reiske, president of the council, said action was taken by 50 delegates during last night's meeting at the Labor Temple.

The Oct. 1 meeting will be held on the proposed campus along U. S. Highway Bypass 66 and was called by the Southwestern Illinois Council for Higher Education. Also to be discussed is the \$150,000,000 state public welfare building bond issue.

In other action last night, the labor council delegates endorsed Willard "Butch" Portell, Democratic candidate for clerk of the circuit court. Portell's candidacy was recommended by the council's Committee on Political Education.

\$11-\$45 Monthly Pay Hike For Teachers In Madison

Madison public school teachers will receive wage increases varying from \$11 per month for non-degree teachers in their first year of teaching to \$45 a month for holders of master degrees with 30 additional graduate hours in their 13th year of employment, according to a salary schedule adopted by the Madison school board Tuesday night.

Supt. of Schools Wensel Brown and representatives of Local 763 of the American Federation of Teachers came to agreement on the new one-year salary schedule during a meeting in the first week of the current school year.

Under the schedule, teachers reach the top of the scale in 13 years. Non-degree teachers begin at \$482 a month and reach \$635 in 13 years. Wages for the holders of bachelor degrees vary from \$537 the first year to \$711 at the top of the scale.

Master degree holders start at \$933 a month and climb to \$784 in the 13th year of employment, while those with master degrees and 30 additional semester hours of credit will receive \$926 in the first year and \$800 in the 13th year.

Additional Provisions
Elementary athletic coaches will receive an additional \$83 monthly, the head basketball coach at Madison high school a like amount, the head football coach an additional \$66 a month, the assistant basketball coach \$50 monthly, assistant, cross-country, basketball, football coach \$39 monthly, freshman football coach \$33 monthly, fresh-

man basketball coach \$39 monthly, assistant baseball coach \$37 monthly and tennis coach \$17 monthly. These figures represent one-ninth of the extra pay for the school year.

The head teacher at Madison high school also receives \$30 additional pay monthly over and above the regular salary.

The Madison teacher salary increases were almost identical to those granted by the Granite City and Venice school districts earlier, although the latter two districts reached two-year agreements on the three-member board.

City teachers received \$22,588 raises over a two-year span and the Venice district raised teacher salaries \$11-\$44 a month in each year of a two-year contract. However, Venice teachers can reach the top of the pay scale in 10 years, and those in Granite City in 12 years.

Fringe benefits adopted Tuesday by the school board included a 10-day yearly sick leave allowance, accumulative to 40 days in 1960-61, 50 days the next year and 60 days in 1962-63.

A three-day "funeral-leave" for related persons varying from parents to in-laws.

"Extra duty remuneration" for teachers at after-school events where admission is charged at the rate of \$2 an hour, not to exceed \$5.

A clause was included in the fringe benefit agreement where by the board of education and the federation reserve the right of examination, revision and renewal of the agreements reached at meetings called for those purposes.

Aldermen Seek To Control Contractors

An ordinance to license and regulate contractors and the establishment of a city election commission were proposed during Monday night's Granite City council session by Alderman Walter Nonn.

Nonn pointed out a number of "city-by-night" contractors from outside areas are operating in the city, and local residents are being "deceived." He said one example was a house in the 2800 block of Denver street which was re-sided a short time ago by an out-of-town firm. "The siding is already pulling loose," the alderman said.

He suggested the city attorney and building inspector prepare such an ordinance which would require an annual license fee and set regulatory measures for all contractors wanting to do business in the city.

Alderman Donald Partey joined with Nonn in urging the controls, saying he had made such a proposal several years ago. He cited the East St. Louis control ordinance as a model and suggested the city also hold meetings with contractors and subcontractors to go over the proposal.

Nonn called upon City Atty.

Third Discussions On Politics Next Monday

Workshop discussion groups taking the "action course in practical politics" will meet for their third sessions Monday, John McBride, discussion leader, reported today. The 7:30 a.m. group meets at the YMCA auditorium and the 11:30 a.m. class at Clure's.

Topic of the third meeting will be political precincts, including registration procedures.

Two Teenage Drivers Face Traffic Charges

"Two 17-year-old motorists were arrested last night at 26th street and Madison avenue by Granite City police who charged them with speeding and careless driving."

They were David G. Pryor, 17, of 2608 East 27th street, and R. L. Moore, 3706 Dunton road, who posted their drivers' licenses as bonds.

William Beatty to inform the council on a procedure for creating a city board of election commissioners.

"Granite City has grown and we need an election board and a registration of voters," Nonn said, adding that he understood the city could obtain financial aid from the county or state in setting up such a program.

Taxpayers, Board Happy; Review Hearings Continue

The Madison County Board of Review had completed a third of its work today as it continued to hear real and personal property tax assessment objections of Quad-Cityans.

A total of 333 objections were in the files when the tax review board opened hearings Monday at the Elks Club, 1329 Niedringhaus avenue.

Review sessions will continue through Wednesday, Sept. 28. John Bellef, local representative on the three-member board, said that the great majority of objections processed involved comparatively minor sums, in the \$300, \$400, \$500 range.

Only Granite City claims for assessment relief have been heard to date, Bellef said, and that those appearing before the board were householders and homeowners.

"In the great majority of cases, I think that the complaints have been justified, and that the board and the persons involved are well satisfied with the decisions entered," Bellef asserted.

He pointed out that in many of the complaints already heard, the amounts involved were "very small."

Bellef reiterated that only complaints of Granite City, Venice and Nansold townships had previously filed written notice of objections are being reviewed here.

The board is in session from 10 a.m. to 4 p.m. Persons filing written objections have been notified when to appear, Bellef noted.

Robert Maxwell New DeMolay Chief Officer

Robert Maxwell, son of Mr. and Mrs. Finley Maxwell, 2501 Benton street, and a Granite City high school senior, has been named master, councilor, Granite City Order of DeMolay.

He and other first term officers of the youth affiliate of the Masonic order were chosen at the semi-annual election Tuesday night at the Masonic Temple.

Other DeMolay officers are: Warren R. Scher, councilor; Eldon Poole, junior counselor; Royal Platt, chaplain, and James Slattery, treasurer.

Public installation ceremonies will be at the Temple Oct. 18.

Three From Here Attend Retirement Plan Hearing

Three Quad-Cityans expressed their views on proposed revisions in the Illinois municipal retirement program at a state legislative hearing Tuesday in Springfield. They were Capt. Frank DeWitt of the Venice police, Chief Elijah King of the Granite City fire department and John O. Pier, secretary of the Venice police pension board.

Representatives of the Illinois Police Association and Illinois Policemen's Benevolent and Protective Association also testified.

Madison School Expense \$170,947 During August

August bills and salaries totaling \$170,947 were approved for payment Tuesday night by the Madison board of education.

Salaries for August included \$26,784 for instruction, \$4490 for custodians, \$327 for health service, \$1075 for clerical service and \$153 in legal fees, a total of \$32,829.

Bills were \$15,348 in the educational fund, \$25,863 in the building fund, \$95,581 in the building bond fund, \$1959 in the building bond issue fund and \$926 in the school lunch fund, a total of \$158,118.

A request that the Grand United Order of Odd Fellows be allowed the use of the Dunbar school cafeteria on Sept. 23 was approved, as was a request for use of a room at the Madison high school tonight by the Area Council Public Health Planning Committee.

Additional Insurance
The board approved purchase of an accident insurance policy to cover the drivers of school groups which are too small to warrant the chartering of a bus.

The policy, available for individual trips at a cost of \$1.65 a person, will be purchased from the Great American Insurance Co.

It provides \$10,000 payment in the event of accidental death and \$1000 payment for injury, either to driver or passengers, and is designed to supplement the school district's present liability coverage.

Permission for Madison school cafeteria workers to attend a "cafeteria employees' meeting" next Monday in Edwardsville was granted by the board. Cost of transportation will be shared with the Venice school district, which is also sending representatives to the meeting.

Amend Calendar
The board amended the 1960-61 school calendar to allow teachers who are members of the American Federation of Teachers and Illinois Educational Association to attend meetings of these respective groups on Oct. 14 and Oct. 20. Teachers who are members of both groups may attend both meetings, the board ruled.

In order that a day of school will not be lost as a result, the board further amended the school calendar to make Dec. 21 a day of classes for students.

School was to have been dismissed for the Christmas holidays on Oct. 22 as scheduled, according to the previously adopted calendar.

A request that the Madison high school marching band be allowed to make trips by bus to Bethalto on Oct. 14, to the County Music Institute on Oct. 20 and to the Southern Illinois University homecoming at Carbondale on Oct. 22 was approved. Band Director William Ledbetter will accompany the musicians to all three events.

UPW Circles Hold Meetings To Resume Study Programs

The various circles of the United Presbyterian Women of First United Presbyterian Church, 22nd street and Delmar avenue, held monthly meetings Tuesday. Six of the seven met at the home and at the church to resume their study program after the summer recess.

Circle Seven will hold a meeting tonight with Mrs. W. K. Woodward as hostess.

Bible and mission lessons are prepared from the study books "Hymn Book of the Ages" and "Conversations on Ecumenical Mission."

The meeting of Circle One took place at the home of Mrs. Fred Werner with 13 members and four guests present. Mrs. Henry Lueders, chairman, presided over a business session and devotions were led by Mrs. E. G. Marshman. Two chapters of the Bible study were presented by the latter and Mrs. William Lierman, and the collection prayer was by Mrs. Frank Barclay. Guests attending were Mrs. Paul Kleindienst of Drexel Hill, Pa., Mrs. John Harsh, Mrs. Harold Stewart and Mrs. Thomas Teague. A combined meeting of Circle One and Circle Four will be held in October at the home of Mrs. W. Bowers with Mrs. Walter Pearson as co-hostess.

Mrs. Leonard Cuchena entertained Circle Two at her home with nine members present. The circle chairman, Mrs. William Ogden, was in charge and also served as devotional leader. Mrs. George Holtzner presented the Bible lesson, followed by a discussion by the group. Mrs. Sam Meyer will be the October hostess.

Circle Three met with Mrs. Eugene Schnipper. Eleven members responded to roll call. Mrs.

PLAN GUEST NIGHT

Mrs. Olga Robinson, noble grand, was in charge of a Rehearsal Lodge 570 meeting Monday evening at the Odd Fellows hall. During the business session, plans were made for "guest night" to be held at the hall Oct. 3. Chairmen for the occasion are Mrs. Edith Carpenter, Mrs. Marge Purcell and Mrs. Martha Watson.

The ladies adjourned for a social time, and a surprise party was held for Mrs. Robinson, who was presented with a gift from the lodge. Games were played and prizes were awarded to Mrs. Purcell and Miss Lucella McCoid.

HOMEMAkers MEET

The Homemakers class of the Venice Baptist Church held a regular meeting Tuesday evening in the church basement, with Mrs. Irene Todd in charge. Roll call was answered by Bible verses, after which Mrs. Wilma Foote gave Scripture readings. Plans were made for an election of officers at the October meeting.

A luncheon was served by the hostess, Mrs. Todd and Mrs. Beulah Deckard, and the class was joined for refreshments by the Royal Ambassadors, a boys group from the church sponsored by Howard Shelton, who was assisted by Phillip Beyer.

Other members present were Mrs. Gladys Nash and Mrs. Virginia Deckard. Guests for the evening were Rev. and Mrs. A. B. Sadler.

HOMES ON LEAVE

Cpl. Ned Lopez of Camp Pendleton, Calif., arrived here Monday evening on a two-week furlough and will visit at the home of his mother, Mrs. Mary Lopez, 807 Fourth street.

In lieu of their regular meeting Tuesday evening, members of the Stay Late club dined at Ralph and Charles's Steakhouse and enjoyed an evening of bowling. Plans were made to hold future meetings on the third Thursday of each month.

Those attending were Mrs. Doris Draper, Mrs. Lois Hensler and Mrs. Dorothy Beyer, all of Granite City, and Mrs. Florence Duerr, Mrs. Pat Billberry, Mrs. Delores Bosworth and Mrs. Alice Rumpf, all of Venice. Hostess for the October meeting will be Mrs. Beyer, 6292 Lynch avenue.

Rev. Craig Dillman and daughters Sharilyn and Karen, 419 Lincoln avenue, and Sandra Caudron of the Venice Homes attended a monthly auto-district Methodist Youth Fellowship rally held Monday evening at Niedringhaus Memorial Methodist Church.

Miss Betty Cross of East St. Louis, president, was in charge of the meeting. Discussions were held on ways to conduct the MYP. The October meeting will be held at the Madison Methodist Church.

Refreshments were served to the 100 persons attending.

Mrs. Audress Brown, 801 Fourth street, was hostess Monday evening at a meeting of her pinch club held at the home of Mrs. Kathryn Fellers, 1730 Fourth street, Madison. Games were enjoyed throughout the evening, and prizes were awarded.

A dessert luncheon was served, and other members present were Mrs. Mary Taylor of Madison, Mrs. Pauline Redelberger of Venice, Mrs. Marvel Clover of Granite City and Mrs. Melva Anderson of North Hollywood, Calif., who was a guest for the evening.

Mr. and Mrs. Stephen Lopez and children, Judy and Diane, 203 Granville street, entertained with a barbecue held Sunday at their clubhouse at the Horseshoe Lake Rod and Gun Club. Guests were Mr. and Mrs. Herb Chappell of Washington Park, Mr. and Mrs. Paul Franks of Granite City and Mr. and Mrs. Emil Brown and Mr. and Mrs. Albert Howard and children, Joe and Jane, all of Venice.

Mr. and Mrs. Floyd Painter, 121 Granville street, Mrs. Jessie Oehler, 219 Hampton street, and Mrs. Mae Forsythe of Granite City returned home Monday evening after spending the weekend in Missouri. On Sunday afternoon, they attended a rodeo held in Sikeston and on Monday they were guests at the homes of Mr. and Mrs. N. A. Johnson and Mrs. Sidney Johnson of Lutesville, Mo.

Mr. and Mrs. Newell Dillman and children, Joseph, Linda, Roger and Mark, of Chicago, Rev. and Mrs. C. K. Dillman of Moweaqua and Victor Dillman of Kankakee were dinner guests Tuesday at the home of Rev. and Mrs. Craig Dillman and family, 419 Lincoln avenue.

Stop Sign Charge Today
John Otis, 27 Geneva, Ill., was arrested at 7:25 a.m. today for passing a stop sign at 10th street and Madison avenue. He was released on cash bond until a hearing Sept. 28.

Son Born To Former Granite Cityan

News has been received by Mr. and Mrs. Harry L. Hornberger, 2143a Delmar avenue, of the birth of a son Wednesday to their son-in-law and daughter, Rev. and Mrs. Wallace

Behrhorst of Winfield, Kans. The new arrival weighed eight pounds, 14 ounces. The mother is the former Jewel Hornberger. Rev. Behrhorst is professor of English at St. John's Lutheran College in Winfield.

GO TO CHURCH SUNDAY

Daughter Born To Former Local Girl

Mr. and Mrs. L. M. Krisman of Webster Groves, Mo., are the proud parents of a daughter born this morning at St. Luke's Hospital, St. Louis. The new arrival, who weighed six pounds, has

been named Kelly Winters Krisman. She has a brother, Larry, four years old, and a sister, Susan, two.

Mrs. Krisman is the former Sandra Dore, a daughter of Mr. and Mrs. Al Dore, 46 Riviero drive.

New Robes Presented To 3 Circuit Judges
New judicial robes for members of the Madison county circuit court were presented in a ceremony at Edwardsville this week.

Weed Fire
A weed fire at the American Steel Foundries plant was extinguished Wednesday morning by Granite City firemen.

Recipients of the black judicial robes were Circuit Judges James O. Monroe Jr., Joseph Barr and Harold R. Clark. New attire was worn at opening sessions of the court term.

Board Supports

(Continued From Page 1)

as a school-service organization would be at the expense of those now in operation."

He referred to a band parents' club at the junior high school, a PTA at the Dunbar high school, a mothers' club at the new Blair and Harris schools, the latter supported by the interested mothers of the Louis Baer school.

Mrs. Edward J. Byrne, leader of the group which has established the all-school PTA and newly-elected president of the organization, was recognized by Board President John Belloff following Brown's statement.

Mrs. Byrne, who has five children attending Madison public schools, addressed the board in general and the superintendent in particular, and asked, "If Mr. Brown is not opposed to single PTA units, why then could we not have a PTA in the junior high school, which made it necessary for us to expand the PTA elsewhere?"

Brown and the board had held previously that the band parents' club already organized there served the purpose of a PTA.

No Teacher Members

"None of the 167 members of our organization are teachers," Mrs. Byrne continued. "As citizens we respect the wishes of the school board, but when they become dictatorial we will not agree." Mrs. Byrne said she was speaking as a Madison resident, not as a representative of the all-school PTA.

She also asked, "Why did six teachers appear at Louis Baer school last night for the purpose of organizing some sort of PTA group when there is already a PTA there? On whose orders?"

Mrs. Byrne also said that Brown had "issued orders to lead the schools to the all-school PTA. Lights and heat were sometimes turned off."

She said that if no action was taken to open the meeting to the all-school PTA group for meetings that petitions currently being circulated in Madison asking that the schools be opened for such meetings will be put before the board "as soon as we can make certain that they are legal and proper."

After the meeting she told a reporter that about 70 members had already been obtained, "and we'll try to get 800 names if possible." The petitions will be presented to the board, probably at its next regular meeting, she added.

Also appearing before the board was Mrs. Richard Barnett, the mother of four children and a member of both the Harris school mothers' club and the all-school PTA.

No Conflict

She said that to her knowledge there "is no conflict" between the operation of the school mothers' club and the all-school PTA. "The parents don't understand why Mr. Brown believes there is a conflict," she told the board. "There is none."

Belloff and Mrs. Byrne engaged in a sharp exchange of words at the conclusion of Mrs. Byrne's remarks when she asked Supt. Brown for a reply to her questions.

"I think Mr. Brown has made clear his stand in the written statement," Belloff said. When Mrs. Byrne persisted in seeking an answer to her questions, the president asked her to remain quiet.

Belloff then asked Board Attorney Austin Lewis for a legal opinion on the school district's right to control buildings.

Lewis referred to the school statutes and said it is his opinion that the school board has full control of school buildings and of which outside groups may meet in them. Neither Lewis nor the board made any further direct reference to the all-school PTA as one of the groups included.

Board Member Frank Derner, reading an already prepared motion, then moved that the report of the superintendent and the action taken in connection therewith be approved and his policy recommendation be accepted as the policy of the school district. "The motion was approved unanimously."

Text of Supt. Brown's statement follows:

teachers for the purpose of reaching the high aims of the National Congress of Parents and Teachers, Mother's Clubs, Band Parents Organization, the aims of any well-meaning group of citizens who are interested in the educational improvement of any school district.

"All of these groups are, I am sure, interested first and foremost in the welfare of the children which are served by the school system. Everything else is secondary in importance; yet one of these matters of secondary importance has caused a different opinion involving two different methods of organizing parents and teachers, so that these high aims of service to our children can be accomplished in a happy and democratic atmosphere."

"One belief is that one organization of parents and teachers representing the entire school system is preferable."

"Another belief is that it is better that each school should have its own organization of parents and teachers."

"All of us in an administrative capacity, including your superintendent, believe in the latter of these two statements and their efforts are being made in the direction of having the parents and teachers of each school determine the type of parent-teacher organization desired in each individual school."

"This belief makes it impossible for the administrative and teaching personnel to aid in the development of only one all-school parent-teacher organization, at the expense of those groups which are already on a sound basis in each school. As a matter of fact we openly oppose the idea of one all-school parent-teacher relationship."

Refuse Use Of Property

"This opposition of your teaching, administrative and supervisory personnel in this school district to one all-school parent-teacher group leads you, superintendent, to refuse this type of organization the use of our office equipment, the distribution of notices or the use of school property for the meeting."

"In other words, we refuse to support any organization in any way which might harm the organizations which are found in our schools. We believe the only way an all-school parent-teacher group could grow as a school-service organization would be at the expense of those now in operation."

"The organizations we seek to protect include an excellent Band Parents Club at the junior high school, a well-established Parent-Teacher Association at Dunbar school, a splendid Mothers' Club at new Blair school, and a fine large Mothers' Club and super-Native Sons school supported by the interested mothers of the Louis Baer school. Previous to the attempt to start a single all-school PTA, the junior high school also had a Parent-Teacher Organization of its own. This school has none."

"I ask that the philosophy which believes in the organization and development of single parent-teacher groups, and the administrative and supervisory approach to this matter and that our negative response to one all-school parent-teacher group become an established policy of the Community Unit School District No. 12."

PTA Meets At Church

Mrs. Byrne was re-elected as president at the Madison PTA's first 1950-51 meeting Monday night at the Madison First Baptist Church educational building of about 65 were Kenneth Kiesel, vice-president; Mrs. Vasil Gravelle, secretary; and Mrs. Willie Mae Bolden, treasurer. Main item of business was the decision to send the letter to the school board seeking use of the school building.

Mrs. Byrne told the Press-Record that Mrs. Barnett was informed Monday afternoon by the Madison junior high school principal that the junior high and other schools would be closed to the PTA group.

Next meeting will be Oct. 17. The action taken in connection therewith be approved and his policy recommendation be accepted as the policy of the school district. "The motion was approved unanimously."

'Platter-Chatter' Sorority Party

A "platter-chatter" party was given last night by Beta Phi chapter of Epsilon Sigma Alpha sorority in the home of Mrs. Betty Williams, 1537 Lindell Blvd., honoring prospective members. Co-hostesses, Mrs. Williams, were Linette Cagle, Patti Twilman and Joyce Alber.

Games were directed by Betty Buechle, rushing chairman, and prizes were won by Berna Boyer, Millie Clements, Betty Hinson, Ann Carnahan, Patti Twilman and Juanita Bell.

Decorations for the party were in keeping with the football season, as were the miniature football favors and records played. Refreshments were served to 15 members and two guests, Sandra Sloss and Betty Henson.

VTB CLUB MEETS AT CORBIN HOME

Mrs. Ernest Corbin of Madison Avenue, returned to the VTB club last night and included two additional guests, Mrs. Nettie Overbeck of Fort Lauderdale, a former Granite Cityan, and Mrs. Ed Kueffer.

Honors at bridge went to Mrs. Ray Huff and Mrs. W. R. Thomas of the club and there were special favors for the guests.

The editor meeting will be with Mrs. Walter Gillen in St. Louis.

ENTERTAIN GUESTS

Mrs. and Mrs. David Westmoreland and Mr. and Mrs. Frank Turk of Baton Rouge, La., returned for their homes after spending several days with Mrs. and Mrs. G. E. Masie, 14 Terrace lane. The visitors were enroute from a vacation in Canada.

RETURNS FROM WEST

Mrs. C. N. Rhoads, 2959 Madison Avenue, returned Monday from Dallas, Tex., where she spent five weeks visiting her son and daughter-in-law, Mr. and Mrs. Robert Rhoads, and family.

Mrs. Cathleen Witterwong, daughter of Mr. and Mrs. M. A. Witterwong, 1609 Garfield Ave., has returned to Marycrest College in Davenport, Ia., to begin her sophomore year.

On Convention, Two Members

The first fall dinner meeting of the Quad-City Business and Professional Women's Club was held last night at the YMCA.

Mrs. Verna Lengyel, president, presided and gave report of the national convention of Business and Professional Women's Clubs which she attended during the summer in Philadelphia.

The membership chairman, Mrs. Marie Hamilton, also reported, and Mrs. Dolores Allen, program coordinator, urged each committee chairman to plan her program for the year.

A general discussion on political issues was held and Mrs. Pearl Ryckman, explained the city manager form of government and suggested the members study the matter more thoroughly before voting.

A motion was made to write the state Department of Highways in regard to the lack of signs indicating the distance to Granite City.

Announcement was also made of the Ninth District meeting to take place Oct. 2 in Collinsville and the legislative committee urged people to vote in the coming Nov. 8 election.

Thirty people were present, including a guest, Mrs. Gladys Neuman, and a new member, Capt. Mildred Walker of the Salvation Army.

Minor Apartment Fire

Venice firemen were called at 7 a.m. today to Apartment 181, Viola Jones Homes, where electric wiring had started a fire that caused minor damage to the ceiling. No estimate of the loss was made.

Vandals Damage Auto

A 1937 auto belonging to Shirley McCoskey, 2203 East 23rd street, was damaged Wednesday when it was parked in the 1800 block of Edison avenue and a fire or pile of gun was shot at the left front window. The damage occurred between 6 and 8 p.m.

Evening Etude Club Enrolls

Two Members

Two new members were introduced by Mrs. Woodrow Williams, president at the opening meeting of the Evening Etude Club last night in the home of Mrs. Nelson Hediger, 3317 Franklin avenue. They were Mrs. James Harsh and Mrs. Stanley Young.

During the business discussion Mrs. William Ledbetter was appointed membership chairman and Mrs. Hediger and Mrs. Williams were named club choral directors with Miss Elsie Mayhail and Mrs. Harsh as piano accompanists.

Mrs. Douglas Aune, program chairman, introduced a piano student, Miss Charlene Werner, who played "Norwegian Rhapsody" by Edward Grieg, and "Dance of the Dolls" by Eduardo Poldini. Mrs. Williams was the successful contestant in a musical game and the remainder of time was spent in ensemble singing.

Ten members were present. The group has been invited to Margaret Coe, Mrs. Mary Evans, and Mrs. Williams, program chairman, to give a piano recital at the Oct. 19 meeting.

RETURNS TO SCHOOL

Miss Sharon Crowcroft, daughter of Mr. and Mrs. F. E. Crowcroft of Edison avenue, left Tuesday for Carbondale to begin her junior year at Southern Illinois University. She was accompanied by her parents and her sister, Mrs. J. C. Crouch, psychiatric social worker, who was guest speaker.

Mr. and Mrs. George Proffitt and sons, Richard and Roland, 113 Twenty-sixth street, have had as guests this week their daughter and a granddaughter, Mrs. Patrick Cline and daughter, Janna Faye, of Pensacola, Fla.

The attendance banner was won by Mrs. Clara Walz' third grade class and after the meeting adjourned refreshments were served by the executive board. The sixth grade mothers will be hostesses at the October meeting.

McKinley PTA Selects Theme

For New Year

"For All Children" will be the theme of the year for the McKinley school PTA, according to an announcement by Mrs. Doris Buer at the first fall meeting of the organization at the school Tuesday evening. Vasil Georgeff, president, introduced the school principal, Paul Wisch, who welcomed the group and evaluated the program for the coming season before introducing the teaching staff.

Mrs. Marge Benner, treasurer, and Mrs. Estelle Monken, picnic chairman, gave their reports and officers and committee chairmen were introduced by the president.

They are Mrs. Inogene Hamilton, vice-president; Mrs. Buer, recording secretary; Mrs. Benner, treasurer; Mrs. Helen Shapard, secretary; Mrs. Frances Georgeff, ways and means; Mrs. Mary Brominski, and Mrs. Madeline Pope, hospitality; Mrs. J. C. Crouch, psychiatric social worker, who was guest speaker.

The attendance banner was won by Mrs. Clara Walz' third grade class and after the meeting adjourned refreshments were served by the executive board. The sixth grade mothers will be hostesses at the October meeting.

Polution
Abatement

(Continued from Page 1)

trict plan or not—that's your problem, but we expect you to do the job and to make progress."

Relating statistics on development of treatment plants, Klassen said 90 were built in the state last year, 61 are now under construction and permits have been issued for 90 more, of which 15 to 20 went to cities.

He stated that 96.6% of the state's population served by sewers has pollution abatement programs, and that of the remaining 3.4%, the area along the Mississippi River from Alton to Chester, including the Quad Cities, represents 70%.

"You're not being picked on, but we're down to the last group in the state, and you're in it."

SWB Controls Sewers

Klassen said the SWB controls extensions of sewer systems through issuance of permits only in cases where adequate sewage treatment plants are available or assured. "It can be rough if a permit is refused. It can virtually stop the growth of a town and results in pressure on the city council from realtors, contractors and unions."

In answer to a question by Alderman Charles Meyer, the chief engineer said that if a community voted down a bond issue to build a treatment plant, the SWB could issue an order setting a date for a community to halt discharge of sewage into a river or stream.

Also discussed during a question and answer period was the local need to remove as much storm water drainage as possible from the present collection sanitary-storm sewers. Klassen said the more storm water taken out of a sanitary system, the easier and cheaper an operation of a treatment plant would be.

"Our job," he continued, "is to help you solve your problem and not to issue an order unless we have to."

Timetable Outlined

Morton, who outlined a timetable given to local area cities about five years ago, said that under a 10-year program which was started in 1951-52 under a joint Missouri-Illinois project with a pollution study by the Bi-State Development Agency, the final deadline for units to be in operation is January 1962.

Answering other questions, the state engineers said the Illinois pollution abatement program is proceeding without regard for the Missouri projects. He said the city of St. Louis recently authorized a \$50,000,000 bond issue for two treatment plants, but that the state of Illinois could not pro Missouri until the Illinois problems are cleared.

It also was brought out that FIA recognizes the SWB and would not grant home loans in areas where state laws are being violated.

At the conclusion of the talks, Hoeicher said the current sewer survey being carried out among the \$120,000 grant for master sewer and drainage planning, elimination of much storm water from sanitary sewer lines is being planned.

Survey Progress Report

This phase was handled by Edward Juneau, of the engineering firm of Sheppard, Morgan & Schwaab, who reported earlier in the meeting on the survey progress.

Juneau showed slides of sewer interiors, reporting on cave-in and faulty sewer locations. His progress report No. 5 pointed out that inspections of sewers serving 4700 acres in Granite City would be completed with a trip Saturday through a 78-inch line inside Granite City Steel Co.

A topography survey of water runoff fringe areas totaling 8650 acres is to be finished by October, and interviews with industrial plant engineers will be completed by the end of this month. Engineer Juneau added that the overall survey should be completed on schedule next January.

Attending last night's meeting were Mayor Davis, City Atty. William Beatty, Aldermen Arthur Weizer, Samuel Whitner, Samuel Skutsh, Samuel Shackelford, Steve Basarich, Estill Von Schmittow, Frank Nemeth, Robert Gaughan, Walter Nomm, Donald Partney, Meyer, Mrs. Gabrielle Bettine, Paul Rutledge and Frank Vesci.

Citizen committee members present were Rev. Robert Baumann, William B. Webb Jr., A. W. Morris III, Henry D. Kandruff, David John, Randall Robertson, Paul Gages, Warner Jarchow and C. E. Townsend.

Engineers in the group were Juneau and C. H. Sheppard, Stanley Bell of Jemison-Wright Corp., Donald Carma of Granite City Steel Co., H. L. Roddy of General Steel Castings Corp., Herman Byrd of A. O. Smith Corp., G. L. Kethley of Union Starch & Refining Co. and O. G. Rubman of Dow Metal Products Co.

Boys Throw At Cars

Police were summoned to the 3200 block of Rodger avenue Tuesday night on a complaint that boys were throwing rocks at passing cars. The boys were not located.

Woman Slashed In
Attempted Attack
At Home By Man

A man about 35 years old is being sought for the knifing and attempted molestation of a 27-year-old mother of five at her home in Madison at 2 p.m. Wednesday.

The man was wearing an Ivy League cap and a gray uniform consisting of bib overalls and a brown shirt with the cuffs rolled up. A Negro, he had a dark tan complexion and was of slender build. His height was about six feet.

Mrs. Patricia Huniak, 923 Washington avenue, was released from St. Elizabeth Hospital at 5 p.m. yesterday after being treated for facial bruises and a deep five-inch cut to the left forearm. Two stitches were taken on the inside muscle of the arm and 15 on the outer surface to close the wound.

Her husband, Nick Huniak, was at work at the time. Two of the children were in grade school and she had just taken another child to his kindergarten class. Their youngest son, aged two and a half years, was in a bunk bed.

Their youngest daughter, nine months old, was sleeping in a crib in another bedroom, where the fight took place.

The man first came to a neighbor's front door. Going out to see what was going on, Mrs. Huniak was asked about a pile of wood in the next yard and told him the neighbor was away from home and that he would have to see the neighbor later. She also mentioned that her husband was at work.

When he started to strike her a third time, she saw he was holding a knife with the blade open. She threw up her hands to protect herself and was cut on the arm. When the infant in the same room began screaming, the man fled.

The woman was in hysterics when she telephoned Madison police, and it was several minutes before she recovered and could give her address. An ambulance and police were dispatched immediately.

Council
Manager

(Continued from Page 1)

bers to run on a city-wide basis, without wards or districts. A basic tenet of the manager system is that council members do not hire or fire city employees. However, they can hire and fire managers at any time. The division of authority makes the council a group that sets policy and the city manager an administrator directly answerable to the council.

Similar To Superintendent
A comparison with school systems is perhaps the simplest way to explain managerial government. In theory at least, the city manager is trained for his job; he occupies the same relative position as the school superintendent. Each is chosen not for voting ability but for his knowledge and experience.

The city council is comparable to the school board in that it becomes a policy-making body and does not directly participate in the running of the governmental operations. Free of time-consuming tasks, the mayor and council members can devote their thoughts to the role of over-all guidance of the city government; their mission in the direction it should go.

The manager's objective is efficient methods of carrying out the basic decisions made by the council. Proponents say the system of electing a city-wide board works successfully for public agencies, with various needs met in the order of their importance, regardless of geography.

Ward System
Opponents of managerial government cite advantages of electing aldermen from wards—more contact with the people of a particular neighborhood and a likelihood that they will "get their share" of city expenditures, regardless of relative need.

Differing sides often are able to reach contrasting conclusions while agreeing on the facts used in building their reasoning. Supporters point to increased efficiency, while foes cry "dictatorship."

Advocates see advantages in the size of the council; the larger the committee, the more difficult the decision. Opponents say, "Three men can get their heads together and run—or ruin a city."

In addition to differing viewpoints, there have been disagreements in one area over what is fact and what is fiction in regard to the manager proposal.

Subsequent articles will attempt to further clarify the issues, helping voters decide, on its merit or lack of merit whether managerial government should be established in Granite City.

(The second article will be published Monday.)

Committees Set During Meeting Of Washington PTA

Committee appointments for the coming year were announced at the opening meeting of the Washington school PTA Monday evening.

The list includes, with the first named as chairman, Mrs. Bonnie Fuller, Miss Mary Tenetok, Mrs. Virgil Bradford and Fred North program; Jerry Lasswell, Mrs. Ruth Travis and Mrs. Helen Wiger, hospitality; Imogene Patton and Sue Wendell, membership; Mrs. Josephine Jung, Girl Scout representative; Clyde Bradford, Boy Scout representative; and Mrs. Margaret Keeton, budget. Other committees are to be named at a later date.

The meeting was held in the school gym with the vice-president, Mary Davis, in charge. Fred North, principal, introduced all members of the faculty. The new teachers this year are Mrs. Georgia Engleke, kindergarten; and Mrs. Wianieski, first grade. Mrs. Easton Vasiloff will assist in the music department.

Mrs. Margaret Crouch of the Mental Health Clinic spoke to the group on the help afforded by the clinic, its rates and fees.

The attendance award went to Miss Geneva Wallace's third grade class and Mrs. Jung made an appeal for more Girl Scout and Brownie leaders.

DAR Holds Picnic At Wilson Park

Members of Drucilla Andrews Chapter, Daughters of the American Revolution, gathered at Wilson Park Monday evening to begin the 1960-61 season with a picnic and pot luck supper.

Miss Ella Ray Smith, regent, opened the program. After the pledge of allegiance to the flag and prayer by the chaplain, Mrs. Robert Chapman read papers on the "The Great Seal of the United States" by James Boyce, and the D.A.R. seal.

The October meeting will be with Miss Nellie Carr on Garfield avenue.

Philathea Class Opens Season, Hears Reports

The Maude M. Tolleson Philathea Class of Niederrhein Memorial Methodist Church opened the season with a meeting Tuesday evening in the church educational building.

Mrs. Winifred Reimers was in charge and had the devotional service, speaking on "Paintings of the heads of Christ," following two Philathea hymns, and prayer by Mrs. Pearl Kean.

Also on the program were two piano selections by Jackie Ross, a review of the class papers, the Barre-Philathea News and The Pathfinder, and a report by Mrs. Ruth Johnston and Mrs. Pearl Campbell of a district missionary rally which they attended in Central last week.

Mrs. Kean offered the closing prayer and refreshments were served to 31 members and two guests, Mrs. Lucille Harmon of Largo, Fla., a former member, and Mrs. E. L. Miller.

Tables were decorated in a harvest theme, and hostesses were Mrs. Reimers, Miss Elva Miller, Miss Gladys Gibson, Mrs. Campbell and Mrs. Mildred and Myrtle Draper.

Jr. Service Club Plans Fall Events

The Granite City Junior Service Club opened the season with a meeting at St. John United Church of Christ, 2001 N. 19th St., Monday evening.

Mrs. Jean Ann Vrenick presided and the chief topics for discussion were a fish fry to be held Sept. 22-24 and a Flea Market on Oct. 8. Both will take place at the Bellemeade Village shopping center.

A "white elephant" sale was held after the business meeting and the price for the evening, contributed by Mrs. Lorraine Bischoff, was won by Mrs. Ruth Knecht.

The hostess committee for the meeting consisted of Mrs. Evelyn Morris and Mrs. Charlotte Barr. The Philathea Hospital will be present to entertain the club with a film pertaining to her work. Twenty-three members were in attendance at Monday's meeting.

FAC Class Begins Season

The September meeting of the FAC class of St. Peter Evangelical & Reformed Church, the first of the fall and winter season, was held Monday evening in the home of Mrs. Marie Whittle, 2052a Edison avenue.

Twelve members were present and Mrs. Gladys Kadar was in charge.

Mrs. Eleanor Patterson, Mrs. Virginia McLester, Miss Thelma Weissenborn and Miss Alice Bolenscheidt received prizes in the games and a special award went to Mrs. Irene Wright.

The October meeting of the class will be with Miss Weissenborn, 2214a Edison avenue.

DIRECTOR OF PERSONNEL
Mrs. Thelma Haven, who was guest speaker at a recent meeting of Alpha Eta Chapter of Delta Kappa Gamma, an honorary society for teachers, is employed as director of women's personnel for the Pet Milk Co., instead of office manager of a St. Louis dairy as was stated in Monday's issue of the Press-Record.

MR. AND MRS. EDWARD LENZI, who were married recently at St. Cecelia Catholic Church in Glen Carbon. The bride, a daughter of Mr. and Mrs. Albert Perry, is the former Beverly Perry. Mr. Lenzi's parents are Mr. and Mrs. E. C. Lenzi, 3225 Aubrey avenue.

B&PW Circle Meets Tuesday

The Business and Professional Women's Circle of Central Christian Church met Tuesday evening in the home of Mrs. Charles Beck, 2309 Lincoln avenue.

Mrs. Velma Gruen, the newly-elected president, led the devotional service and presided over the business session during which a number of projects were discussed, among them the sale of candy.

The lesson on "Churches in Rural and Urban Communities" was given by Mrs. Geneva Butler.

After the meeting, the hostess served refreshments to 13 members. Mrs. Mona Wilkinson, 4010 Braden avenue, will entertain the group in October.

Opti-Mrs. Club Opens Season With 'Brunch'

The home of the president, Mrs. Maurice Dailey, 64 Oaklawn drive, was the place of meeting for the Noonday Opti-Mrs. Club Monday when activities for the season were resumed after the summer recess.

The meeting, a "brunch," took place at 10 o'clock with the group seated at tables adorned with yellow pom-pom chrysanthemums.

Mrs. David Parrish called the roll after the meal and 38 members responded. There was also a guest present, Miss Margaret Smith, one of the three nurses the club has sponsored for training.

Mrs. Dailey presided over the business session after the Opti-Mrs. creed was read by Mrs. H. C. Blake.

Plans were made for a guest day party at the Carriage House in Belleville Wednesday, Oct. 26, at 1 p. m. Also on the agenda was a discussion of arrangements for a rummage sale Nov. 12 at the JOEP hall. Mrs. J. Wallace Wyman was appointed chairman of the latter event.

A \$30 buffet supper for the members and husbands was planned by the ladies. It will take place Oct. 15 at the Dailey home.

The remainder of the time was spent at cards and prizes were won by Mrs. Blake and Mrs. Hugo Brenkmeier. Serving on the hospitality committee with Mrs. Dailey were Mesdames Leonard Bickel, Harold Fischer, E. B. Nelson, Parrish, Charles Thurmer and John Wilson.

ARCHITECT'S DRAWING OF the interior of the new offices of the Madison County Federal Savings and Loan Association, which will be occupied about Oct. 15 by the organization. Offices are to be located in an addition being erected at the Bellemore Village shopping center in the 2200 block of Namook road. Extensive walnut paneling against champagne beige walls and floor will be accented by vibrant orange and royal blue cushions of the furniture according to the architect's plans. Visible in the drawing above are the four teller positions and the receptionist area. The building, an employees' lounge and lunch room.

Charge Placed Against Motorist In Accident
A charge of making an improper turn was placed against an 18-year-old motorist involved in an accident about 11:45 p.m. Monday in the 3400 block of Namook road.
Police said Albert Herschbach of Bend road, was making a U-turn when the accident occurred. He posted his driver's license as bond.
According to the report, Herschbach was traveling south while the other car was being operated north by Gene C. Rotter, 37, of 1614 Minerva avenue. No injuries were listed.

GO TO CHURCH SUNDAY
Three special centers will be open here this week for registration of voters in addition to the six regular centers.
A registrar will be at the Porton Beach fire hall in Namook township from 1 p.m. to 8 p.m. Friday; at Hairston's confectionery in Eagle Park Acres from noon to 8 p.m. both Friday and Saturday; and at the Kirkpatrick Homes recreation center in Granite City from 1 p.m. to 8 p.m. Saturday.
Regular centers and their hours are as follows: city clerk's office in the city hall of Granite City, 9 a.m. to 5 p.m. Monday through Friday; Mrs. Irene Snider's residence, 3829 Namook road, 7 p.m. to 9 p.m. Monday through Thursday; city controller's office in Madison city hall, 9 a.m. to 4:30 p.m. Monday through Friday and 9 a.m. to noon Saturday; Nicholas Studio, 1548 Fourth street, Madison, 9 a.m. to 5 p.m. Monday through Friday; Mrs. Andrew Brown's residence, 810 (rear) Fourth street, Venice, 7 p.m. to 9 p.m. daily; and Mrs. Florine Mueck's residence, 600 Lincoln avenue, Venice, 9 a.m. to 5 p.m. daily.

18 Days Remain To Register For General Election
The deadline for voter registration before the Nov. 8 general election is only 18 days away, those not yet registered are being reminded by county election officials and party leaders.
Walter Simmons, county Democratic chairman, announced this week that those needing to register by the deadline should do so by the deadline.
Total general fund disbursements during the four-month period amounted to \$406,741, leaving a balance of \$483,377 in the 15 accounts on Aug. 31. Special fund disbursements in the same period totaled \$234,131, leaving a balance of \$567,772.
Only one of the general fund accounts showed a deficit on Aug. 31 — pumping station operation, which was \$2439 in the red. Alderman Paul Rutledge, chairman of the Finance committee, commented in presenting the report to the council, that a special fund, maintenance of sewer, was going deeper into the red—\$45,886 — but that most other accounts showed "fair balances."

Expenses, Balances
A breakdown of general fund accounts showing four-month disbursements and Aug. 31 balances in that order follows:
Fire department, \$104,365 and \$59,579; water, \$4688 and \$24,626; street department, \$83,916 and \$119,443; street lighting, \$3508 and \$40,807; pumping station, \$5649 and a \$2439 deficit; general government, \$27,893 and \$18,465; city hall, \$3504 and \$13,997; police department, \$77,381 and \$66,814; inspection department, \$5121 and \$6118; elections, \$3663 and \$777; sanitation, \$59,012 and \$41,361; interest and judgment, \$9688 and \$1784; dog catching, \$2366 and \$7174; contingent, \$2301 and \$5156; and excess commissions, \$11,486 and \$79,020.

Motorist Damages Yard
Mrs. William Guth, 2811 East 25th street, complained to Granite City police Monday afternoon that a motorist who pulled into a driveway at her home to turn around backed over shrubs and damaged a garage car. She gave police the license number of the auto. The license was issued to a resident of Cottage Hills, according to police.

City's General Expenses Hit \$103,756 In August
City disbursements during August totaled \$103,756, or about \$2000 over the monthly average of \$101,685 set for the first four months of the current fiscal year, according to the financial report submitted to the council Monday night by Treasurer Frank Sappington and Comptroller John Doehner.
Total general fund disbursements during the four-month period amounted to \$406,741, leaving a balance of \$483,377 in the 15 accounts on Aug. 31. Special fund disbursements in the same period totaled \$234,131, leaving a balance of \$567,772.

Special Accounts
A similar breakdown of special fund accounts follows:
Municipal retirement, \$17,299 and \$11,243; working cash, none and \$216,962; parking meters, \$20,708 and \$44,536; police pension, \$6291 and \$43,650; fireman pension, \$8867 and \$35,811; public library, \$17,176 and \$67,800; arterial street maintenance, \$53,184 and \$2,750; unclaimed rebate, none and \$6338; civil defense, \$2263 and a deficit of \$1862; sales tax, \$1746 and \$145,637; maintenance of sewers, \$29,506 and a deficit of \$45,886; south extension sidewalk paving, none and \$981; six motor fuel tax projects, \$81,658 and \$27,507; Monroe sidewalk paving, none and \$92; Edwardsville road sidewalk paving, none and \$491; special improvements, \$15,875 and a deficit of \$19,481.

UF Essay Contest Closes Tomorrow
Tomorrow is the deadline for local high school senior English students of the Quad-Cities to enter an essay contest being sponsored by the Tri-Cities Area United Fund.
Granite City, Madison and Venice seniors are being asked to write 200-word essays on "My Favorite United Fund Agency" and complete for prizes of seats at a professional football game and a top prize of a \$25 U. S. Savings Bond.

Conest rules have been distributed at the schools, and a separate contest is being conducted at each high school, with the winner at each school to receive two reserved seats at a St. Louis Cardinals football game. The best essay of all will entitle the writer to an additional award of the Savings Bond.
English teachers are assisting the United Fund by picking the two best essays submitted by each class, and final judging will be by members of the U.F. Campaign publicity committee.
Winners will be honored at the U.F. kickoff dinner Oct. 13.

Surgery Patient
Mrs. Edith Tonner, 4429 Highway 162, is recuperating satisfactorily at St. Elizabeth Hospital after undergoing major surgery. She is expected to be released from the hospital this week.

Miner Accident
Autos driven by James Kosick, 51, of 1916 Elizabeth street, and Guy H. Pitchford, 72, of 3809 Ponton road, were involved in a minor collision Monday in the 1900 block of Delmar avenue, where Kosick was driving south and Pitchford was pulling out of a parking space. Police said there was damage to the right side of Kosick's car and to the front bumper on Pitchford's auto.

Flasher Lights To Be Installed At Crossing
Granite City council members were advised Monday night by the Illinois Commerce Commission that flasher warning lights are to be installed at the Illinois Terminal Railroad crossing on West Ponton road near its intersection with U. S. Highway 67A.
The communication was referred to the city attorney, who is to obtain further information and report his findings to the council.

PROMOTED to the rank of chief petty officer in the U. S. Navy, Max C. Hester is shown in a photograph taken this summer in Tel Aviv, Israel. He is on duty in the Naval attaché's office of the American embassy there.

Navy Promotes Hester, Stationed in Israel

Max C. Hester, 28, son of Mrs. Gladys Gregory, 1610 Sixth street, Madison, and Arthur Hester of Tusculum, Mo., was promoted to chief petty officer in the Navy during the weekend. It was announced today.

Chief Hester, on duty in the Office of the Naval Attaché at the American Embassy in Tel Aviv, Israel, for the past 17 months, was presented with his promotion certificate by Capt. G. W. Kittredge, USN.

Since enlisting in the Navy in April 1951, Hester has had a colorful career, with duty assignments at J. Bayonne, N. J.; New Orleans; Korean waters on board the aircraft carrier Salpan, which circumnavigated the world with Hester embarked; western Pacific duty on the seaplane tender, Salisbury Sound; independent duty at the Guided Missile Service Unit at Crane, Ind., and last, a course of temporary instruction in the Pentagon for the special assignment of independent duty with the Naval Attaché in Israel.

Thus far, Hester has had the opportunity to visit 26 countries and cross three oceans and six seas since joining the Navy. He attended schools in Granite City and Madison until 1948, when he moved to Chicago to work for the Aitchison, Topeka and Santa Fe Railroad.

Ben Schermer Hardware
Affiliated With Ace Hdwe.
The Ben Schermer Hardware stores are affiliated with Ace Hardware, a dealer organization with stores in 16 other states. It was announced today.

The local firm decided after careful study that affiliation with the 33-year-old corporation would result in more efficient and economical serving of customers.

In addition to handling regular retail lines, the opportunity to supply industrial firms, factories and institutions with especially needed material of every character, many items which they have never handled before, will become available through the two local Ben Schermer stores. Ace Hardware has its headquarters in Chicago in a building containing about 200,000 square feet of hardware items.

Braves Open Season Today; Add 1 Game To 1960 Schedule

Coach Frank Kraus, whose
Coolidge Junior high school grad-
uates will open the 1960 season
this afternoon at home against
Edwardsville, has announced the
filling of an open date on the
Braves' schedule, a change in the
date of two previously schedu-
led games and a revised starting
time for a third.
Added to the schedule is a
home game with Belleville on
Wednesday, Nov. 2, at 4 p. m.
The contest will be the last of
the season for the Braves. All
home games are played on the
GCIS football field.
A contest at Madison on Sept.
29 will start at 4 p. m. instead
of 7 p. m. Kraus said, while a
game with Bethalto has been
changed to Oct. 12 and a home
game with the West 25th
street JHS squad has been
moved back one day to Oct. 19.

Brothers Fall From Horse Into Emergency Ward

Two brothers of rural Collins-
ville fell from a horse late Mon-
day afternoon, and then next
ride was a trip to St. Elizabeth
Hospital.
They are Stephen, 11, and
Douglas Hickman, 13, sons of
Mr. and Mrs. John Hickman,
Route Route One, Collinsville.
Stephen sustained a fractured
left forearm and abrasions to
the left eyebrow and wrist.
Douglas fractured his left
shoulder.
After treatment, they were
transferred to St. Mary's Hospi-
tal, East St. Louis.

90-Yard Point Returns

Griggs, a 165-pound junior who
ran from the left halfback posi-
tion in Pickering's wing-T of-
fense Friday, scored the Trojans'
first TD when he returned an
Edwardsville punt after taking
a handoff from Carl Drayton on
his own 10-yard-line in the first
quarter. He and Drayton were
back in the safety positions
when the scoring play developed.
In the fourth quarter, Griggs
took a handoff from Quarterback
Mike Gravelle on the Madison
nine, broke through the left side
of the Edwardsville defense and
went 91 yards for the Trojans'
only other score.
He also added one extra point
with a two-yard plunge, and
picked up 238 of Madison's 274
yards gained in the game.

Five Straight Tackles
Barton, a 175-pound senior
letterman, helped to solidify a
shaky Madison defense early in
the second half. Moving behind
the line, he made five straight
tackles during one short span
in the third period, when Mad-
ison played its only roof defense
football of the evening, Pickering
said.
Both Griggs and Barton were
previous selections as back and
lineman of the week during the
1959 season.

Schlitz Five Rolls Loman's Saturday In SIBA Classic

Two of the three teams which
bettered the 3000 mark last
week are paired in one of the
four Southern Illinois Bowling
Proprietors Association Classic
league matches at 7 p. m. this
Saturday at Sports Bowl in
O'Fallon.
Granite City's Bowland Schlitz
five, which chalked up a 3007
series, and Loman's Bowler's
Shop of East St. Louis, which
toppled 3006 pins as a team, will
meet in the match.
In other pairings, Black Label
Beer of Belleville plays Ripley
Bowling Pins of O'Fallon,
Rusty's of Edwardsville rolls
with the Beaver Room of Col-
linsville and Falstaff Beer of
Alton battles Pepsi-Cola of East
Alton.
The standings: Reverse Room
7-2, 985 average; Ripley Pins
7-2, 977; Schlitz Beer 5-4, 969;
Falstaff Beer 5-4, 959; Loman's
5-4, 951; Black Label Beer 3-6,
951; Pepsi-Cola 3-6, 925; Rusty's
2-7, 942.

Group Of 104 Fans To Attend Illinois Homecoming Game

Each of the 104 tickets to the
University of Illinois homecom-
ing football game with Ohio
State on Oct. 8, made available
for purchase through the Granite
City park district, have been
sold. Recreation Director Harold
Brown said this week.
The park district is sponsoring
a trip by bus to the homecom-
ing game, with two buses carrying
each scheduled to leave Granite
City at 7 a. m. on the day of
the game.
Pick-up points at several
homes in the area are being
established. Brown said, and the
buses will make early morning
stops there to load football fans.
The buses will return here after
the game.

Shortstop Ken Hamlin, ob-
tained in a deal with Pitts-
burgh last December, was the only
 rookie to start the American
League season with the Kansas
City Athletics.
The Baltimore Orioles are car-
rying four rookies—Steve Bar-
ber, Chuck Estrada, Marv
Breeding and Dave Nicholson.

Inter-City Playoffs

Angeloff Will Face McAteer Glass; State Savings Plays In Collinsville

Ace Right-hander Andy Angeloff
will be on the mound Sunday
afternoon as Mercer Funeral
Home of Granite City attempts
to prove to defending champion
McAteer Glass of East St. Louis
that the local team's Blue divi-
sion championship in the Inter-
City Baseball league this sum-
mer was no fluke.
The two squads will tangle at
2 p. m. Sunday on Diamond No.
1 at Wilson Park for the Blue
division playoff crown, with the
winner advancing to the
President Vernon Lucas cup se-
ries the following weekend.
A similar Sunday contest is
set at Fletcher Field in Collins-
ville, where regular season divi-
sion champion McManis Buck
will host the State Savings and
Lean nine of East
St. Louis, also at 2 p. m.
State Savings finished in third
place in the Red division, but
advanced Sacred Heart of Gran-
ite City last week, 6-4, to ad-
vance to the division finals.
Angeloff vs. Blankenship
Most likely McAteer hurler in
the local game Sunday is Clyde
Blankenship, who pitched the
Glassmen to the division final
last week, spinning a five-hitter
against White City and winning
11-1.
But Frank "Tody" Gallus,
the "old man" of the Inter-City
league's mound corps, still has
an enviable reputation as a
clutch performer in the play-
offs. He threw every game for
McAteer in the series last year
and drove in the winning run
in the deciding game as East St.
Louis retired the old I-C playoff
trophy by winning the title three
years in succession.
Gallus undoubtedly will make
at least one appearance later if
McAteer can get past Mercer,
which will be no small task since
the Granite City club boasts the
highest team batting average in
the league.
Hitter As Well As Pitcher
Peck Holzheimer's crew also
will be facing the loop's winning-
est pitcher this season, Angeloff,
who won eight and lost only one.
And—get this—he has a good
shot at winning the I-C batting
title.

Back Groboski, End Schuman Were Top Performers Against Assumption

The all-around play of Half-
back John Groboski and an un-
usually good showing by End
Pat Schuman in his first varsity
ballgame earned these two War-
riors football players the back-
and-linen awards of the week
after Granite City's coaching
staff had reviewed films and sta-
tistics of the 13-0 loss to As-
sumption of East St. Louis last
Friday.
"I felt Groboski was the best
back on the field," Head Coach
Andy Sullivan said this week.
"John made 12 tackles and ran
well on offense. He picked up
most of our yardage on the
ground and had to do it on his
own. Those holes were closing
up mighty fast."
Groboski, a 175-pound senior
letterman, also aided the War-
riors.
A 170-pound senior, Schuman
will be the only starting lineman
from the game with Assumption
to earn a chance to fill that po-
sition again Friday in Madison.
He will start on the left end of
the line.

State Oks \$140,000 MFT Projects For GC Streets

Four motor fuel tax street projects, estimated to cost \$140,000, have been approved by the state highway department. Granite City council members were informed Monday night in letters from R. R. Bartelsmeyer, chief highway engineer for the state.

All of the projects are in the Sixth Ward, and a motion by Sixth Ward Alderman Casmer Skushnik for the city engineer to begin preparation of construction specifications was approved. Skushnik said the projects probably would get underway next year.

The largest project will be a 36-foot roadway for Faith avenue between Nameok road and

Marshall avenue, estimated to cost \$60,000. All of the projects call for concrete curbs and gravel-asphalt pavements with related drainage facilities.

A \$40,000 project is to be designed for Alexander street with a 34-foot roadway between 23rd street and Edwardsville road, while \$20,000 projects are being planned for Marshall avenue from Faith avenue to Victory drive with a 34-foot roadway and Myrtle avenue from St. Clair to Leonard avenue, also with a 34-foot roadway.

Council members adopted a resolution seeking \$140,000 motor fuel tax funds for construction of a 34-foot roadway with curbs on West 24th street between Ohio and Missouri avenues.

Wilkins To Speak At School Lunch Meeting

A dinner for county school personnel associated with school lunch programs will be given at 6:30 p. m. Monday at the Madison County Junior High School by the Madison County School Lunch Association. About 375 people are expected to attend.

State Superintendent George T. Wilkins will be guest speaker. The public may arrange to attend by contacting school superintendents or principals.

Jewish New Year Observed; Other Rites

Members of the Jewish faith of the Quad-City area, joined with co-religionists throughout the world, are marking the holy days in a series of religious observances that get under way Wednesday.

Observance of Rosh Hashanah, the Jewish New Year, was held last night at the United Hebrew Congregation's synagogue at 1538 Fourth street, Madison. Other days of religious significance and observance for the Jewish people will be marked in services today and Friday. Today's rites get under way at 8:30 this morning. Like services are to be held from 8:30 a. m. to 12:30 p. m. Friday.

Rabbi Eugene Schoenfeld of St. Louis, is officiating. The Holydays will culminate in the observance of Yom Kippur, also known as the Day of Atonement. Yom Kippur services will be initiated beginning at 6:30 p. m. Friday, Sept. 30.

David Dumoulin Wins A. O. Smith Scholarship

David Dumoulin, 17, son of Mr. and Mrs. Alex Dumoulin, 9 Frontenac lane, is the recipient of a \$500-a-year scholarship awarded by A. O. Smith Corp., the first scholarship the firm has granted in the field of ceramic engineering.

The youth, a June 1960 graduate of Granite City high school, who has been named made application for the scholarship and was given the award after an interview at the firm's headquarters in Milwaukee. He is attending the University of Illinois. His father is a general foreman at the local A. O. Smith plant.

David scored high scholastically in his class and also received athletic letters in football and baseball.

Dr. Baggot To Open Medical Office Here

Dr. M. Gerard Baggot has announced he will open an office for the general practice of medicine at 2946 State street. Work is now being completed in readying the office for the reception of patients.

Dr. Baggot was formerly in practice at St. Louis. He is a graduate of the National University of Ireland.

Solons Approve Lease of Lot And Xmas Tree Sale

Approval was given the three local Optimist Clubs to conduct their annual Christmas tree sale on the city-owned block, north of the new fire house at 23rd street and Madison avenue. The action was taken by the council Monday night.

It was pointed out the area may be restricted to the center section of the lot, immediately north of the fire station, should construction of a new post office building be started on the extreme north end near 24th street.

The lease ordinance with the post office department was placed on final passage Monday night and was adopted by the council. Alderman Walter Norn, who opposed the \$3500-a-year lease, said the city was giving up valuable property that might be needed in the future for other municipal buildings, but Alderman Samuel Whitmer said the site was ideal for a post office to serve the community.

The Optimist Christmas tree sale will be conducted Dec. 1-21.

Nine Added To Faculty Of Southwestern Campus

Southern Illinois University's board of trustees has approved the appointment of nine new Southwestern Illinois campus faculty members.

Four of the new appointments will be assistant professors: Dr. Lawrence E. Dameron, psychology; Dr. Jules Zanger, English; Dr. William C. Bennewitz, mathematics; and Samuel R. Reid, marketing.

Dameron, a University of Chicago Ph. D., has done research work in psychopathology. Zanger, who holds a doctorate from Washington University, taught at Ohio State University and the Illinois Institute of Technology. Bennewitz has been teaching at the University of Southern California since receiving his doctoral degree from the University of Illinois in 1957, and Reid has served as a lecturer at St. Louis and Southern Illinois Universities.

The other new appointments will be assistant professors: Dr. Lawrence E. Dameron, psychology; Dr. Jules Zanger, English; Dr. William C. Bennewitz, mathematics; and Samuel R. Reid, marketing.

Dr. Baggot was formerly in practice at St. Louis. He is a graduate of the National University of Ireland.

Bill List For City Amounts To \$11,389

A bill list totaling \$11,389 was approved Monday night by Granite City council members. Of the total, \$4824 was paid to Ellisworth Concrete Co. for work on curbs and sidewalks, and \$2401 was for operation and maintenance of city vehicles and equipment.

Other disbursements during the two-week period since a previous session were payment of \$783 to Melvin Pasche for maintenance of the city dump during September; \$226 for federal surplus property for civil defense; \$300 to Lueders Agency for premium on the police indemnity policy; \$4 to Leo Kaminski for weed cutting Sept. 9-15; and \$45 to Andy & Johnny's Body Shop for wrecker service in tearing down walls and steel beams at Hundley Pontiac building at the request of the fire department.

Expense allowances on the bill list included \$132 for Mayor Davis to attend an Illinois Municipal League executive meeting in Chicago; \$210 for Aldermen Emerald Daves and Frank Vesce and Staff of Streets William Warfield to travel to Elgin, Ill., to inspect catch basin cleaning equipment; \$50 September allowance for Police Chief Raymond Willard and the following: Alderman expense allowances: Samuel Whitmer, \$30; Daves, \$20; Rufus LeMaster, \$20; Frank Nemeth, \$30, and Steve Baasrich, \$30.

Detective Sgt. Leo Padgett was advanced \$150 for expenses while attending an Identikit training class in Chicago this week.

Mexican 'Fiesta' Salute To Freedom

The 150th anniversary of independence of Mexico will be feted at a dance and festival celebration Saturday night at the Latin Quarter, 1801 Spruce street. Mexico observed its century and a half of independence on Sept. 16.

The Mexican Honorary Committee of Granite City is sponsoring Saturday's event, which will feature costumed dance groups, folk songs and national music.

The fiesta is open to the public. Regional dances of Mexico will be performed by young dancers of the Granite City area.

CONGREGATIONAL DINNER AT CHURCH

A congregational dinner was held Sunday evening at Hope Lutheran Church. This was the first dinner meeting held since the arrival of the new minister, Rev. Alfred Buis, and Mrs. Buis. The dinner was held to welcome new members of the past year and newly-confirmed members. Frequent Arbeiter served as master of ceremonies, and the dinner was served by the Women's League.

Representatives of various groups of the church who explained their functions were Mrs. Laura Russo for the Women's League, Robert Anderson for the Young People's club, Carl Reiske on "stewardship" and Miss Rita Heidbrink, the Waltham League.

Community singing was enjoyed by the dinner guests, and the Waltham League presented an impromptu play.

State Capitol NEWS

Feasibility of a one and a half to two million dollar bond issue for construction of new Illinois camping and recreational facilities to be retired from revenue in the Conservation Department's Division of Parks will be studied under an engineering agreement signed recently by Governor Stratton. The last general assembly gave authority for the bond issue.

State parks in which construction to be financed by the bonds is proposed include Lincoln Trail, Giant City, White Pines, Mississippi Palisades, Kankakee River, New Salem, Chain O' Lakes, Illinois Beach, Starved Rock, Lake Argyle, Red Hills, Lake Murphyboro and Fox Ridge.

Phoenix, Ariz. Mrs. Brooks is the former Mrs. Irene Sabo.

Mr. and Mrs. Sherman Ray and son, Dennis, 1640 Venice avenue, motored to Sullivan, Mo., for the weekend.

Work on Illinois' million dollar security prison in Johnson county was ordered recently when Governor Stratton released \$12,000 for planning. The prison will be operated as a farm for prisoners who have reached rehabilitation status at Menard, Pontiac and Joliet. Stateville maximum security prison.

Release of \$534,000 to the Illinois Department of Public Welfare for a new institution for mentally retarded at Centralia has been approved by Governor Stratton. The amount will cover topographic and boundary surveys, test borings, architectural and engineering plans, etc. Total appropriation for the land enc. construction is \$11,723,000.

State funds have been released for building projects at the University of Illinois. A Zooneos Laboratory to be constructed for study of communicable diseases common to men and animals received \$170,000. This will be the first such center in the United States and the second one in the world. More than 20 projects in the remodeling and rehabilitation of buildings on the Urbana-Champaign campus received \$335,000.

Construction To Start On Nameoki Town Hall

Construction on the new Nameoki town hall building is to be started this week with the pouring of concrete footing. It was announced during Monday night's town board meeting by Supervisor Harry Briggs.

The \$23,925 structure is to be erected on a lease-purchase arrangement by Henry Ross, contractor, and will be located on the south side of State Route 162, a short distance east of its intersection with State Route 111. The township already owns the property. It is to contain three offices and a storage-garage area with an overall measurement of 125-x150 feet. Briggs said he was informed by the contractor that the nation is no longer Wisconsin, Illinois ranked first in 1958 taking the title with 33.4 million pounds.

Common folks agreed with Judges of the Illinois State Fair's professional art exhibit for the first time in history this year. Philip B. White was top prize winner with his oil, "Girl in Blue" in the popular poll as well as the judges' wisdom.

submitted by Collector Harold Massa and submit a recommendation at the next meeting to be held Oct. 17.

The board also discussed easements on township property for utilities.

Busy Oct. 2-4 In Store For Venice Officials, Police

The three-day period of Sunday, Oct. 2, through Tuesday, Oct. 4, will be a busy one for Venice police and city officials. Three conventions and a visit by the Democratic presidential candidate are scheduled almost simultaneously.

All Venice city officials able to attend have been authorized \$100 expenses each for the annual Illinois Municipal League meeting in Springfield Oct. 2-4. The contingent is expected to include aldermen and many of the elected and appointed officials.

A major portion of the Municipal League delegation is planning to return to Venice for the appearance by Sen. John F. Kennedy at the American Legion home grounds on Broadway Monday morning, Oct. 3. The group will then return to Springfield the same day to resume attendance at convention sessions.

On the same dates, Oct. 2-4, annual meetings of the two major Illinois police organizations will be held.

Kroger Store Sponsoring Teenage Recipe Contest

A favorite recipe with a prize of \$500 and a trip to Paris for a teenage cook from this area, it was announced today by Joseph Petratt, manager of the local Kroger store.

Petratt said the contest is now open run through Nov. 19, with 2000 other prizes to be awarded. The program is designed to reward and encourage development of cooking skills among teenagers, and the search will be climaxed by a junior cook-off in Cincinnati, O., next May, when 50 finalists will prepare their recipes for a panel of nationally recognized home economists and cooking experts. Petratt explained.

Venice Schools To Operate On Day Of IEA Meeting

Venice school system teachers who are members of the Illinois Education Association and who plan to attend the group's meeting on Friday, Oct. 21, will do so without the approval of the Venice school board, it was ruled during a board meeting Monday night.

Acting on a motion by Board Member Thomas Poley, the board approved the attendance of teachers who are members of the American Federation of Teachers at an AFT meeting on Oct. 14, and the Madison County Teachers Institute on Oct. 20. Public schools in Venice will be dismissed on both days.

The action was taken after Supt. John O. Pier told the board

Granite City PRESS-RECORD
Page 34 Thurs., Sept. 22, 1960

that Venice students would be required to attend classes on Dec. 21 if school was dismissed on three days in October.

The makeup day would be necessary to fulfill the district's obligation to hold school on 170 days during the year and would mean that students would have one less day of Christmas vacation.

The Marquette division of the IEA had originally scheduled its meeting on the same day as that set aside for the AFT gathering, but when the conflict was discovered the former group moved its meeting date back one week, Pier said. He added that no ruling on the matter had been received from the office of the county superintendent of schools. He added that about 90% of the teachers employed in the Venice system are members of the AFT, and about 25% are members of the IEA. Some are members of both organizations, it was pointed out.

Seek Typewriter Bids
Supt. Pier was authorized to seek bids on purchase of 10 typewriters, with the board's recommendation that he show preference to models manufactured domestic. Two of the machines will be placed in the guidance counseling offices at Venice and Madison high schools, and the remainder in the commercial department at Venice high school. Permission was granted to the St. Mark's parochial grade school basketball team to use the Venice grade school gymnasium for practice and games on two days each week during the basketball season.

A letter from the Venice Teachers Federation agreeing to a proposed salary schedule and list of fringe benefits as offered by the board at a special meeting with teacher representatives earlier this month was received and placed on file.

Pay For Extra Work
Among the fringe benefits approved by both the board and teachers is payment of teachers who work at school activities where a gate admission is charged. The amount agreed upon was \$2.50 an hour, with a maximum of \$5.

The board approved a motion to pay three teachers by that agreement at grade school basketball games — two ticket takers and a timer-scorer — and four teachers at high school basketball games — a ticket seller, two ticket takers and a scorer-timer.

The newly organized Venice high school marching band was authorized to attend the Southern Illinois University homecoming on Oct. 22, when the group will march in the homecoming parade.

Simmons Service Station submitted a bid of \$50 on a 1948 model school bus, which the district has replaced with a new model, and Ritz Motor Co. submitted a bid of \$40. The bus was awarded to the high bidder.

Aiassi Creating Scenes Of Mexico—In Mexico

An unusual hobby of painting murals is the "man's holiday" taken each summer by Eugene Aiassi, art supervisor of the Granite City school district.

Subject of the wall designs is Mexico, and the locale of the work also is Mexico. Aiassi regards the pastime as a way to "have your cake and eat it, too." He enjoys it, and it is serving to finance his yearly vacations in that country.

At the Hotel Polanco in Mexico City, Aiassi has used oil paints to create murals on the two end walls of the hotel restaurant, both about 19x12 feet in size. One shows a typical scene of Tuxco, Mexico, and is done in realistic fashion. The other affords a vista of moun-

tainous Mexican terrain and utilizes gold and light pastel colors.

Floral Design
For a 30-foot distance along a side wall of the restaurant, Aiassi has painted a floral decoration featuring the bougainvillea, a typical Mexican plant. Its vines lead to a real potted plant and appear to be emerging from it. Aiassi has similar plans for next summer — a mural for a hallway of the same hotel and a painting at the Delmonte Hotel in Acapulco.

The trips are made in August after Aiassi teaches art in the summer school program at Granite City high school. During the regular school term, he teaches advanced art students and visits the all schools in the district to coordinate the art program.

MURALS OF MEXICO are being painted as a summer hobby of Eugene Aiassi, Granite City school district art supervisor. He is shown working on a typical scene of Tuxco, Mexico, on a restaurant wall at Hotel Polanco in Mexico City.

County Baptist Group Meets Here, 75 Attend

The Madison County Baptist Association held its quarterly Training Union "mass" meeting in Calvary Baptist Church Monday evening, when newly-elected officers were introduced by the director, Mrs. Gertrude McManaway, and the prayer of dedication was led by Rev. Ralph Graycraft.

Taking office were Mrs. McManaway, director; Raymond White, associate director; Miss Norma Richardson, secretary; William Patterson, treasurer; Mrs. Ruth George, pianist; Don Shockley, pastor-advocate; Milton Cox, adult leader; Mrs. Maxine Dacus, young people; Miss Virginia Gentry, associate; Mrs. Fern Washburn, intermediate; Miss Barbara Graham, associate; Marvin Cornett, junior; Mrs. Lenore Richardson, associate; Mrs. Betty Lewis, primary; Mrs. Marie Elbert, associate; Mrs. Juanita Craycraft, beginner; Mrs. Lena Hurlbut, associate; Mrs. Nora Rogers, nursery; Mrs. Ruth Cornett, associate.

Rev. James Feaman of Davisdale presented the message, "Developing Church Loyalty," and arrangements of "The Old Rugged Cross" and "Amazing Grace" were sung by the youth choir of Second Baptist Church.

During the business session, attended by 75, it was voted to change the 1961 Sunday afternoon conferences for officers and leaders. The quarterly conferences are to be combined with the mass meetings. A goal of 750 was set for the annual baptismal meeting at First Baptist Church.

Zoning Change OK'd; Two Others Sought

An amendment to the city zoning ordinance was approved and two requests for zoning changes were referred to the City Plan Commission during Monday night's meeting of the Granite City council.

The amendment changed classification of two lots in the 2200 block of Porton road from R-1 residential to C-1 commercial. The lots, owned by Harry and Margaret Taylor, are to be used, it was learned, for expansion of the Maryland Mart.

Referred to the plan commission was a request by Frank Steve Kozar, Bette Jo Kozar and James Kestoff for lot 9 on the east side of the 2700 block of Madison avenue to be changed from R-3 residential to C-2 commercial.

The other request was by Lawrence and Violet Lockhart for lots 25 and 26 at 2133 Porton road to be rezoned from R-1 residential to C-1 commercial. Lockhart said his barber shop was in operation there when the zoning law was enacted and a change never was made. He pointed out their is a commercial garden next to his shop and other businesses nearby.

Church on Dec. 5. Announcement was also made of officers and committees clinic to be held at Third Baptist Church Monday evening, Oct. 3.

Railings To Be Installed On Outside City Hall Steps

Center railings are to be installed on the steps at the three outside entrances to the city hall building. It was decided during Monday night's meeting of the Granite City Council.

Steel railings are to be purchased at a total cost of \$179 from a St. Louis firm and installed by the city. Alderman Arthur Wier, who proposed the railings, said they are needed because of the number of elderly persons visiting the building. A bidder, Ervin Schaefer, withdrew his bid when he learned it would be necessary for him to employ a laborer to remove the scale. He offered the city \$125 for the scale and agreed later to pay \$75 to fill the hole in the alleyway.

Referred to the city attorney was a recommendation by Alderman Samuel Whitmer for the city to buy a \$21 tire for a motorist who earlier Monday evening damaged a new tire on his car when it struck a protruding, broken curb in the 2300 block of Hodges avenue, where he was parking. Whitmer said he went to the scene and that the curb extended into the street.

Seek Bids For City Scale
Bids for the city-owned scale in the alley near the old fire house on 10th street were rejected and new proposals are to be sought, specifying the purchaser is to fill the excavation and resurface the alleyway. The city is abandoning the operation of a scale.

Alderman Estill Von Schmitt, chairman of the Fire and Water committee, said the high bidder, Ervin Schaefer, withdrew his bid when he learned it would be necessary for him to employ a laborer to remove the scale. He offered the city \$125 for the scale and agreed later to pay \$75 to fill the hole in the alleyway.

Referred to the city attorney was a recommendation by Alderman Samuel Whitmer for the city to buy a \$21 tire for a motorist who earlier Monday evening damaged a new tire on his car when it struck a protruding, broken curb in the 2300 block of Hodges avenue, where he was parking. Whitmer said he went to the scene and that the curb extended into the street.

Charge Of Leaving Scene

Arrested by Madison police at 5:05 a. m. Tuesday, James William Lindsay, 44, St. Louis, was charged with reckless driving and leaving the scene of an accident 40 minutes earlier in the 1600 block of Fourth street. He was released on a property bond until a hearing tomorrow. The front of his car allegedly struck the rear of the parked auto of Carl Spahr, 1621 Fourth.

Surplus Sale At Depot

Set For Sept. 30

A sale of surplus government equipment with an acquisition value of over \$1,000,000 will be held at 10 a. m. Sept. 30 at the Granite City Engineer Depot instead of Sept. 20. Two government auctioneers will conduct the sale. Items to be sold include com-

pressors, cranes, rock crushers, forklifts, generators, road rollers, trucks and other items. The equipment may be inspected at the depot between 8 a. m. and 4 p. m. daily, except Saturdays and Sundays.

Name of the island on which stands the Statue of Liberty in New York harbor was changed from Bedloe's Island to Liberty Island in 1956.

Motorist Arrested

John Parlow, 70, St. Louis, was arrested at 7:25 a. m. Tuesday in the 1000 block of Madison avenue for passing a stop sign and reckless driving. He was released on cash bond until a hearing Friday.

Two Country Club Directors Resign

Two members of the board of directors of the Sunset Hills Country Club tendered their resignations Monday night because of their inability to attend meetings due to business commitments.

They were T. A. Sullivan of Granite City and Edw. Schrod of Edwardsville. Sullivan's term expires Dec. 31 and this vacancy will be filled in the next election. An interim appointment will be made to replace Schrod, whose term runs to Dec. 31, 1961.

HERE'S HOW THE CONTEST WORKS:

Our Medallion ambassadors—Roaming Reddy and Goldie Medallion—will visit each of these homes during Medallion Home Week. They will give a light bulb to every woman inspecting the home's interior during Reddy and Goldie's visit. One Lucky Lite Bulb will be specially marked. It will be described in our ad in this newspaper on October 6, 1960. When the Lucky Lite Bulb is presented at our office, it may be exchanged for any one of our large assortment of sight-conditioned table and floor lamps.

**FREE! A New Table Lamp
or Floor Lamp**

in our special **LUCKY LITE BULB** contest.
In addition, thousands will receive free bulbs when they attend these open houses

SEE WHY THESE HOMES GUARANTEE BETTER LIVING .. ELECTRICALLY

ADEQUATE WIRING: The wiring in a Medallion Home gives you at least eight regular circuits, with plenty of convenience outlets, plus heavy-duty circuits for heavy-duty appliances.

LIGHT FOR LIVING: You will find scientifically designed light sources, functional as well as beautiful, everywhere they're needed in and around a Medallion Home.

MAJOR ELECTRIC APPLIANCES: A Medallion Home is complete electrically, properly equipped with certain major modern electric appliances.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record

Relief demands in this community are increasing again, following a substantial reduction in which was made several months ago by means of the reapportionment requirement. There are now 3263 families on relief in the four cities, 400 less than the peak depression load.

On July 1, the load was down to 3033 families but from that date until the present time there has been a gradual increase. During that month, 94 families were added and in August the load increased 138.

In the month of August, 239 new cases were placed on the rolls and 105 were closed, a net gain of 134 families. Figuring an average of 3.2 persons to a family, there are 10,774 people now on relief.

Two classes of confinements, comprising nearly 100 youngsters and adults in Mitchell and Venice, received the Holy Sacrament yesterday afternoon from His Excellency, the Right Reverend James A. Griffin of Springfield. Both ceremonies were impressive and attracted large crowds.

Two new teachers, including a football coach, were employed by the Madison school board Friday night and salary adjustments, mainly increases, were made affecting 12 teachers.

Earl Berninger, of St. Louis, was employed as successor to M. Seamon, football coach at salary of \$150 per month. He took over his athletic duties immediately. L. J. Wigger, coach, who also resigned to accept a better position, was replaced by E. W. McCarthy at salary of \$100 a month.

The Ladies' Coleridge, Granite City's oldest club, which like most other organizations of its kind, has remained inactive during the summer, opened the club today. The day of the past week when Mrs. Charles W. Pershall entertained the members in the social rooms of the First Presbyterian Church, a favorite meeting place during the past year.

Mrs. R. W. Binney presided and Mrs. James H. Lynch was program chairman for the afternoon.

The birthday of little Martha Jean Cochran was celebrated by a charming party given by her mother, Mrs. Floyd Cochran on Saturday afternoon.

Children enjoying the party were Shirley Weir, Conrad Lee Champion, Joan and Jerome Range, Bobby Cranhav, Sue Ann Bannam, Susan Graham, Betty Jean Swander, Evelyn Brown, Peggy and Jean Weir, Charlotte and Buddy Ruemer, Purmia Warren, Wilma Noble, Deores and Jimmy Todd, Peggy Range, Katherine Warren and Donald and Billy Jenkins.

The Chiquita Club was entertained Saturday night by Miss Ann Domitrovich on Madison avenue.

Cards were played and prizes were won by Miss Evelyn Hadlock, Miss George Porter, and others there were Miss Eleanor Cowley, Miss Vada Fleet, Miss Ruth Cochran, Miss Mary Theris, and Miss Flora Trimmer.

St. David's auxiliary held their evening in the home of Mrs. William Bodham, 2100 State street. Mrs. W. J. Davis presided and assisted was usual occupied a goody portion of the evening.

Later there were games and a contest and the prizes in the contest were won by Mrs. Ben Thomas. Other present were W. L. Davis, Mrs. John Griffiths, Mrs. George Hill, Mrs. Arthur Kennedy, Mrs. John H. Thomas, Mrs. T. Henry Thomas, Mrs. Joseph Williams, and Mrs. John Harris.

Among local prominent clubs the season was the Minerva Reading Club which met in the home of Miss Marjorie Smith on Fourth street Friday night.

"Unusual Art" was the program subject and after the chorus "When You And I Were Young Maggie" roll call was responded to with the name of a seum.

Luncheon was served to Mrs. Doris Ashley, Mrs. Ada Boyd, Mrs. E. W. Hoeb, Mrs. Sadie Crawford, Mrs. Cecil Dant, Miss Lonetta DeLong, Mrs. Robert W. Friedman, Mrs. Gladys Malie Fields, Mrs. Gladys Gilchoff, Mrs. Cecil Kendall.

On the 28th day of September, 1960, the undersigned filed a petition in the County Court of Madison County, Illinois, in the same proceeding in which the same judgment of 1231 was entered. Said petition prays that the court enter an order directing the County Clerk to issue a tax deed to the undersigned if the real estate is not redeemed from the sale; and the undersigned intends to make an application to the court on the 14th day of January, 1961, at the hour of 9:00 a.m. for an order on said petition that a deed issue to the undersigned if the real estate shall not be redeemed from the sale.
